INTERSTATE COMMERCE COMMISSION

Consolidated Rail Corporation

Dated as of July 15, 1979

11.00% Conditional Sale Indebtedness

Dear Sir:

Pursuant to 49 U.S.C. §11303 and the Commission's rules and regulations thereunder, as amended, I enclose herewith on behalf of Consolidated Rail Corporation for filing and recordation counterparts of the following documents:

New Number 1(a) Conditional Sale Agreement dated as of July 15, 1979, among North American Car Corporation, The Connecticut Bank and Trust Company, as Trustee, and Greenville Steel Car Company;

— A (b) Agreement and Assignment dated as of July 15, 1979, among North American Car Corporation, Greenville Steel Car Corporation and LaSalle National Bank, as Agent;

— B 2(a) Lease of Railroad Equipment dated as of July 15, 1979, between Consolidated Rail Corporation and The Connecticut Bank and Trust Company, as Trustee;

(b) Assignment of Lease and Agreement dated as of July 15, 1979, between The Connecticut Bank and Trust Company, as Trustee, and LaSalle National Bank, as Agent.

The names and addresses of the parties to the aforementioned documents are as follows:

(1) Agent-Vendor-Assignee:

LaSalle National Bank  
135 South LaSalle Street  
Chicago, Illinois 60690

(2) Trustee-Vendee-Lessor:

The Connecticut Bank and Trust Company  
One Constitution Plaza  
Hartford, Connecticut 06115

(3) Builder:

Greenville Steel Car Company  
P.O. Box 751  
Greenville, Pennsylvania 16125

(4) Vendor:

North American Car Corporation  
222 South Riverside Plaza  
Chicago, Illinois 60606

(5) Lessee:

Consolidated Rail Corporation  
1310 Six Penn Center Plaza  
Philadelphia, Pennsylvania 19104

Please file and record each of the documents referred to in this letter and cross-index them under the names of the Agent-Vendor-Assignee, the Trustee-Vendee-Lessor, the Builder, the Vendor and the Lessee.

The equipment covered by the aforementioned documents consists of three hundred (300) 3,420 cu. ft., 100-ton, open top triple hopper cars bearing identifying numbers CR 491590 through CR 491889, both inclusive.

There is also enclosed a check for \$100 payable to the Interstate Commerce Commission, representing the fee for recording the enclosed documents.

Please stamp all counterparts of the enclosed documents with your official recording stamp. You will wish to retain one copy of each instrument for your files. It is requested that the remaining counterparts be delivered to the bearer of this letter.

Very truly yours,

John S. Herbert  
As Agent for Consolidated Rail

\* This Table of Contents has been included in this document for convenience only and does not form a part of or affect any construction or interpretation of this document.

CONDITIONAL SALE AGREEMENT dated as of July 15, 1979, among GREENVILLE STEEL CAR COMPANY, a Pennsylvania corporation (the "Builder"), NORTH AMERICAN CAR CORPORATION, a Delaware corporation (the "Vendor" or "NAC" as more particularly set forth in Article 1 hereof) and THE CONNECTICUT BANK AND TRUST COMPANY, a Connecticut banking corporation, acting not in its individual capacity but solely as trustee (the "Vendee") under a trust agreement (the "Trust Agreement") dated as of the date hereof with Nineteenth HFC Leasing Corporation, a Delaware corporation (the "Owner").

WHEREAS the Builder has agreed to construct and sell to NAC the railroad equipment described in Annex B hereto (the "Equipment") and NAC has agreed to purchase the Equipment from the Builder and conditionally sell the Equipment to the Vendee; and

WHEREAS the Vendee is entering into a Lease of Railroad Equipment with Consolidated Rail Corporation (the "Lessee") in substantially the form annexed hereto as Annex C (the "Lease") pursuant to which the Lessee will lease from the Vendee all the units of Equipment so purchased by the Vendee, or such lesser number of units as are delivered and accepted hereunder; and

WHEREAS La Salle National Bank (hereinafter called the "Assignee" or the "Vendor" as more particularly set forth in Article 1 hereof), is acting as Agent for certain institutional investors (the "Investors") pursuant to a Participation Agreement dated as of the date hereof (the "Participation Agreement") among the Assignee, the Lessee, the Vendee, the Owner, the Owner Parent, NAC and the parties named in Schedule thereto, and all obligations of NAC to the Builder under the Purchase Order (as defined in the Participation Agreement) will be superseded by this Agreement except to the extent otherwise expressly provided herein and in the Participation Agreement.

NOW, THEREFORE, in consideration of the mutual promises and agreements hereinafter set forth, the parties hereto do hereby agree as follows:

ARTICLE 1. Assignment; Definitions. The parties hereto contemplate that the Vendee will furnish that por-

tion of the Vendee's Purchase Price (as hereinafter defined) of the Equipment as is required under subparagraph (a) of the third paragraph of Article 4 hereof and that an amount equal to the balance of such Vendee's Purchase Price shall be paid to NAC by the Assignee pursuant to an Agreement and Assignment (the "CSA Assignment") dated as of the date hereof among NAC, the Builder and the Assignee. The parties hereto further contemplate that NAC shall pay to the Builder NAC's Purchase Price (as hereinafter defined) pursuant to the terms of Article 4 hereof.

The term "Vendor", whenever used in this Agreement, means, before any assignment of its rights hereunder, NAC, and, after any such assignment, both any assignee or assignees for the time being of such particular assigned rights as regards such rights, and also any assignor as regards any rights hereunder that are retained or excluded from any assignment.

The parties hereto contemplate that the Vendee will assign to the Assignee, as security for the payment and performance of all the Vendee's obligations hereunder, certain rights, titles and interests of the Vendee in and to the Lease, pursuant to an Assignment of Lease and Agreement in the form of Annex D hereto (the "Lease Assignment") and the Lessee shall consent thereto pursuant to the Lessee's Consent and Agreement in the form attached to Annex D hereto (the "Consent").

ARTICLE 2. Construction and Sale. Pursuant to this Agreement, (i) the Builder shall construct the units of Equipment and will sell the same to NAC, and NAC will purchase such units from the Builder and will pay the Builder therefor, all as hereinafter provided, and (ii) NAC will sell the units of Equipment to the Vendee, and the Vendee will purchase such units from NAC and will pay NAC therefor, all as hereinafter provided and all subject to the limitations hereinafter set forth. Each unit of Equipment shall be constructed in accordance with the Purchase Order and the specifications referred to in Annex B hereto and in accordance with such modifications thereof as may be agreed upon in writing among the Builder, NAC, the Vendee and the Lessee (which specifications and modifications, if any, are hereinafter called the "Specifications"). The design, quality and component parts of each unit of the Equipment shall conform, on the date of completion of manufacture thereof, to all United States Department of Transportation and Interstate

Commerce Commission requirements and specifications and to all standards, if any, recommended by the Association of American Railroads reasonably interpreted as being applicable to railroad equipment of the character of such unit, and each such unit will be new railroad equipment and will not incorporate any used components, and will not have been used by any person so as to preclude the "original use" of such unit, within the meaning of Section 48(b)(2) and 167(c)(2) of the Internal Revenue Code of 1954, as amended, from commencing with the Vendee.

ARTICLE 3. Inspection and Delivery. The Builder will deliver, and NAC hereby directs the Builder to deliver, to the Vendee the units of the Equipment at the place or places specified in Annex B hereto, freight charges, if any, prepaid and included in NAC's Purchase Price, in accordance with the delivery schedule set forth in Annex B hereto; provided, however, no delivery of any unit of the Equipment shall be made to the Vendee (i) until this Agreement, the Lease, the CSA Assignment and the Lease Assignment have been filed pursuant to 49 U.S.C. § 11303 and deposited with the Registrar General of Canada pursuant to Section 86 of the Railway Act of Canada and provision shall have been made for publication of notice of such deposit in The Canada Gazette; (ii) subsequent to the commencement of any proceedings or the occurrence of any event specified in clause (c) or (d) of Article 15 hereof or the occurrence of any event of default (as described in Article 15 hereof), or event which, with the lapse of time and/or demand, could constitute such an event of default (any such commencement, occurrence, event of default or event being hereinafter in this Agreement called a "Default"); or (iii) if the Vendee's Purchase Price for such unit when added to the aggregate Vendee's Purchase Price of (A) all units theretofore delivered to and accepted by the Vendee under and made subject to this Agreement and (B) all other units proposed to be delivered to and accepted by the Vendee under, and made subject to, this Agreement concurrently with such unit would exceed the Maximum Vendee's Purchase Price for the Equipment specified in Item 5 of Annex A hereto. The Builder agrees not to deliver any unit of the Equipment hereunder (a) following receipt of written notice from the Vendee or the Assignee (i) of a Default, or (ii) that the Maximum Vendee's Purchase Price specified in Item 5 of Annex A hereto (or such higher amount as the Vendee, the Builder, NAC and the Lessee may have agreed to pursuant to Article 4) would be exceeded by any subsequent delivery of a unit, or (iii) of its determination that there has been a

material adverse change in the business prospects or financial condition of the Lessee since the date of the most recent financial statements referred to in Paragraph 4(b) of the Participation Agreement, other than as set forth in the Memorandum referred to in the Participation Agreement, and (b) until it receives notice from the Vendee and the Assignee that the conditions contained in Paragraphs 8 and 9 of the Participation Agreement have been met.

Any unit of Equipment not delivered to the Vendee hereunder at the time of receipt by the Builder or NAC of the notice specified in clause (a) of the penultimate sentence of the first paragraph of this Article 3 and any unit of Equipment not delivered and accepted hereunder on or prior to December 31, 1979 (unless a later date shall be agreed to by the Vendee and the Lessee), by reason of noncompliance with the conditions referred to in the next preceding paragraph or causes set forth in the next succeeding paragraph or otherwise, shall be excluded from this Agreement and NAC and the Vendee shall be relieved of their respective obligations hereunder to purchase and pay for such unit of Equipment. If any unit of Equipment shall be excluded herefrom pursuant to the immediately preceding sentence, the Vendee, NAC and the Builder (and any assignee of NAC) shall execute an agreement supplemental hereto limiting this Agreement to the units of Equipment not so excluded herefrom. Pursuant to the Participation Agreement, NAC has agreed to purchase such excluded Equipment and any Equipment excluded from this Agreement pursuant to the first paragraph of Article 4 hereof from the Builder, upon the satisfaction or waiver of any conditions of the Purchase Order, all as provided in Paragraph 1 of the Participation Agreement. The Vendee agrees, upon any such exclusion, to take such steps, including the execution of instruments of transfer, as may be reasonably requested by NAC for the purpose of acknowledging and perfecting the interest of NAC in any unit of Equipment so excluded from this Agreement, and the Vendee shall have no further obligation or liability in respect of units so excluded.

The respective obligations of the Builder and NAC as to the time of delivery set forth in Annex B are subject, however, to delays resulting from causes beyond the Builder's reasonable control, including but not limited to, acts of God, acts of government such as embargoes, priorities and allocations, war or war conditions, riot or civil commotion, sabotage, strikes, differences with workmen, accidents, fire, flood, explosion, damage to plant, equipment or facilities,

delays in receiving necessary materials or delays of carriers or subcontractors.

During construction, the Equipment shall be subject to inspection and approval by the authorized inspectors of the Vendee and NAC (who may be employees of the Lessee) and the Builder shall grant to such inspectors reasonable access to its plant. The Builder agrees to inspect the materials used in the construction of the Equipment in accordance with its standard quality control practices. Upon completion of each unit or a number of units of the Equipment, such unit or units shall be presented to inspectors of NAC and the Vendee for inspection at the place specified for delivery, and if each such unit conforms to the Specifications, requirements and standards applicable thereto, such inspectors or authorized representatives of NAC (who may be employees of the Lessee) shall execute and deliver to the Builder, and such inspectors or authorized representatives of the Vendee (who may be employees of the Lessee) shall simultaneously execute and deliver to NAC and the Builder, a certificate of inspection and acceptance (a "Certificate of Inspection and Acceptance") substantially in the form of Schedule C to the Lease; provided, however, that the Builder and NAC shall not thereby be relieved of their respective warranties referred to in Article 13 hereof. The Vendee and NAC hereby appoint the Lessee (and any employee thereof designated by the Lessee) their respective agent for inspection and acceptance of the Equipment pursuant to this Article 3.

Upon delivery to and acceptance by the Vendee of each such unit hereunder at the place specified for delivery, neither the Builder nor NAC shall have any further responsibility for, or bear any risk of, any damage to or the destruction or loss of such unit; provided, however, that such delivery to and acceptance by the Vendee shall not thereby relieve the Builder and NAC of their respective warranties referred to in Article 13 hereof.

Notwithstanding the foregoing or any other provision of this Agreement to the contrary, the delivery to and acceptance by or on behalf of the Vendee of any unit of Equipment excluded from this Agreement pursuant to the first paragraph of Article 4 hereof shall be ineffective, ab initio, to create in or transfer to the Vendee any legal or beneficial right or interest in such unit or (except as provided in the first paragraph of Article 4 hereof) to impose on the Vendee any liability, obligation or responsi-

bility with respect thereto; any right or interest in any such unit created in or transferred to or purported to be created in or transferred to the Vendee shall be held by the Vendee solely as trustee for the benefit of NAC.

ARTICLE 4. Purchase Price and Payment. The base price per unit of the Equipment to be paid by the Vendee to NAC is set forth in Annex B hereto. Such base prices are subject to such increase or decrease as is agreed to in writing by NAC, the Vendee and the Lessee, including increases for prepaid freight charges, if any. The term "Vendee's Purchase Price" as used herein shall mean the base price per unit of Equipment as so increased or decreased as set forth in NAC's invoice or invoices delivered to the Vendee (such invoice or invoices being hereinafter called "NAC's Invoice") and, if the Vendee's Purchase Price is other than the base price set forth in Annex B, such NAC's Invoice shall be accompanied by, or have endorsed thereon, the agreement or approval of the Lessee and the Vendee. The base price per unit of the Equipment to be paid by NAC to the Builder is as set forth in the Purchase Order. Such base prices are subject to such increase or decrease as is agreed to by the Builder and NAC. The term "NAC's Purchase Price" as used herein shall mean such base price per unit of Equipment as so increased or decreased, as set forth in the Builder's invoice or invoices delivered to NAC and, if NAC's Purchase Price is other than the base price set forth in the Purchase Order, the Builder's invoice or invoices shall be accompanied by, or have endorsed thereon, the agreement or approval of NAC (such invoice or invoices hereinafter called the "Builder's Invoice"). If on any Closing Date the aggregate Vendee's Purchase Price of the Equipment for which settlement has theretofore been or is then being made would, but for the provisions of this sentence, exceed the Maximum Vendee's Purchase Price specified in Item 5 of Annex A hereto (or such higher amount as the Vendee, NAC and the Lessee may agree to prior to delivery of any unit or units of Equipment that, but for such agreement, would be excluded from this Agreement), the Builder, NAC (and any assignee of NAC) and the Vendee will enter into an agreement excluding from this Agreement such unit or units of Equipment then proposed to be settled for in inverse order of their delivery, as will, after giving effect to such exclusion, reduce such aggregate Vendee's Purchase Price to not more than such Maximum Vendee's Purchase Price (or such higher amount as aforesaid).

The Equipment accepted pursuant to Article 3 hereof

shall be settled for in such number of groups of units of the Equipment as is provided in Item 2 of Annex A hereto (each such group being hereinafter called a "Group"). The term "Closing Date" with respect to any Group shall mean such date, which shall be a business day not later than January 2, 1980 (the "Final Closing Date"), occurring following presentation by the Builder to NAC of the Builder's Invoice, and by NAC to the Vendee of NAC's Invoice (with copies to the Lessee) and by the Builder to NAC and the Vendee of the Certificates of Inspection and Acceptance for such Group and written notice thereof by the Builder and NAC to the Lessee, as shall be fixed by the Lessee by written notice delivered to NAC, the Vendee, the Builder and the Assignee at least five business days prior to the Closing Date designated therein. The parties hereto agree to use their best efforts to comply with the schedule of estimated Closing Dates set forth in Item 7 of Annex A hereto. The term "business days" as used herein means calendar days, excluding Saturdays, Sundays and any other day on which banking institutions in New York, New York, Boston, Massachusetts, Hartford, Connecticut, or Chicago, Illinois, are authorized or obligated to remain closed.

The Vendee hereby acknowledges itself to be indebted to the Vendor in the amount of, and hereby agrees to pay in immediately available funds to the Vendor at such place as the Vendor may designate, the Vendee's Purchase Price of the Equipment, as follows:

(a) on the Closing Date with respect to each Group (i) an amount equal to 37.4372% of the aggregate Vendee's Purchase Price of such Group plus (ii) to the extent agreed upon by NAC, the Vendee and the Lessee as evidenced by the Vendee's and the Lessee's approval of NAC's Invoice therefor, the amount, if any, by which (x) 62.5628% of the Vendee's Purchase Price of all units of Equipment for which settlement has theretofore or is then being made, as set forth in NAC's Invoices therefor exceeds (y) the Maximum CSA Indebtedness specified in Item 6 of Annex A hereto plus any other amount or amounts previously paid or payable with respect to prior NAC Invoices pursuant to this clause (ii); and

(b) in 63 quarterly installments, as hereinafter provided, an amount equal to the aggregate Vendee's Purchase Price of the units of Equipment in each Group, less the aggregate amount paid or payable with respect thereto pursuant to subparagraph (a) of this paragraph.

NAC hereby acknowledges itself to be indebted to the Builder in the amount of, and hereby agrees to pay in full in cash to the Builder, on the Closing Date with respect to a Group, at such place as the Builder may designate, NAC's Purchase Price with respect to the Equipment in such Group; provided, however, that NAC shall have no obligation to pay for the Equipment under this Agreement unless it shall have received on such Closing Date payments from the Vendee and the Assignee in an aggregate amount equal to the Vendee's Purchase Price.

The portion of the Vendee's Purchase Price payable pursuant to subparagraph (b) of the preceding paragraph (the "CSA Indebtedness") shall be payable on January 2, April 2, July 2 and October 2 of each year, commencing April 2, 1980, to and including October 2, 1995 (or, if any such date is not a business day, on the next preceding business day), each such date being hereinafter called a "Payment Date". The unpaid balance of the CSA Indebtedness from time to time outstanding shall bear interest at the rate of 11.00% per annum payable, to the extent accrued, on January 2, 1980, and on each Payment Date. The installments of principal payable on each Payment Date shall be calculated so that the amount and allocation of principal and interest payable on each Payment Date shall be substantially in proportion to the allocation set forth in Schedule I hereto (subject to the provisions of Article 7 hereof) and the aggregate of such installments of principal will completely amortize the CSA Indebtedness. The Vendee will furnish to the Vendor and the Lessee promptly after the last Closing Date a schedule showing the respective amounts of principal and interest payable on each Payment Date.

Interest under this Agreement shall be determined on the basis of a 360-day year of 12 30-day months, except that the interest payment due on January 2, 1980, shall be determined on an actual elapsed day, 365-day year, basis.

The Vendee will pay, to the extent legally enforceable, interest upon all amounts remaining unpaid after the same shall have become due and payable pursuant to the terms hereof at the rate of 12.00% per annum (the "Overdue Rate").

All payments provided for in this Agreement shall be made in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts. Except as provided in Articles 7 and 16 hereof, the Vendee shall not have the

privilege of prepaying any portion of the CSA Indebtedness prior to the date it becomes due.

Notwithstanding any other provision of this Agreement (including, but not limited to, any provision of Articles 15 and 16 hereof), but not limiting the effect of Article 21 hereof, the liability of the Vendee or any assignee of the Vendee for all payments to be made by it under this Agreement, including any liability arising out of or in connection with the performance of its obligations hereunder and excluding only the obligations set forth in the proviso in the third paragraph of Article 12 hereof and the payments to be made pursuant to subparagraph (a) of the third paragraph of this Article, shall not exceed an amount equal to, and shall be payable only out of, the "income and proceeds from the Equipment" (as hereinafter defined), and such payments shall be made by the Vendee only to the extent that the Vendee (or any such assignee) shall have actually received sufficient "income and proceeds from the Equipment" to make such payments. Except as provided in the next preceding sentence, the Vendee (and any such assignee) shall have no personal liability to make any payments under this Agreement except from the "income and proceeds from the Equipment". In addition, it is agreed that the Vendee (and such assignee) (i) make no representation or warranty with respect to, and are not responsible for, the execution, validity, sufficiency or enforceability of the Lease (or any document relative thereto) insofar as it relates to the Lessee or to any of the Lessee's obligations thereunder and (ii) shall not be responsible for the performance or observance by the Lessee of any of its agreements, representations, indemnities, obligations or other undertakings under the Lease; it being understood that as to all such payments and other matters the Vendor will look solely to the Vendor's rights under this Agreement against the Equipment and to the Vendor's rights under the Lease against the Lessee and the Equipment. As used herein the term "income and proceeds from the Equipment" shall mean (i) if one of the events of default specified in Article 15 hereof shall have occurred and while it shall be continuing, so much of the following amounts as are indefeasibly received by the Vendee (or any such assignee) at any time after any such event and during the continuance thereof: (a) all amounts of rental and amounts in respect of Casualty Occurrences (as defined in Article 7 hereof) paid for or with respect to the Equipment pursuant to the Lease and any and all other payments received under § 10 or any other provision of the Lease and (b) any and all payments

or proceeds received for or with respect to the Equipment as the result of the sale, lease or other disposition thereof, after deducting all costs and expenses of such sale, lease or other disposition, and (ii) at any other time only that portion of the amounts referred to in the foregoing clauses (a) and (b) as are indefeasibly received by the Vendee (or any such assignee) and as shall equal the portion of the CSA Indebtedness (including prepayments thereof required in respect of Casualty Occurrences) and/or interest thereon due and payable on the date such amounts were required to be paid pursuant to the Lease or as shall equal any other payments then due and payable under this Agreement; it being understood that "income and proceeds from the Equipment" shall in no event include (A) amounts referred to in the foregoing clauses (a) and (b) received by the Vendee (or any such assignee) prior to the existence of such an event of default which exceeded the amounts required to discharge that portion of the CSA Indebtedness (including such prepayments) and/or interest thereon due and payable on the date on which amounts with respect thereto received by the Vendee (or any such assignee) were required to be paid to it pursuant to the Lease or which exceeded any other payments due and payable under this Agreement at the time such amounts were payable under the Lease and (B) amounts excluded from the definition of "Payments" contained in Paragraph 1 of the Lease Assignment. Notwithstanding anything to the contrary contained in this Agreement, in the event the Vendor shall obtain a judgment against the Vendee for an amount in excess of the amounts payable by the Vendee pursuant to the limitations set forth in this paragraph, the Vendor will limit its execution of such judgment to amounts payable pursuant to the limitations set forth in this paragraph. Nothing contained herein limiting the liability of the Vendee shall derogate from the right of the Vendor to proceed against the Equipment for the full unpaid Vendee's Purchase Price of the Equipment and accrued interest thereon and all other payments and obligations hereunder or to proceed against the Lessee under the Lease or the Consent.

ARTICLE 5. Security Title to the Equipment. The Vendor shall and hereby does retain a security title and security interest in the Equipment until the Vendee shall have made all its payments under this Agreement, notwithstanding any provision of this Agreement limiting the liability of the Vendee and notwithstanding the delivery of the Equipment to and the possession and use thereof by the Vendee and the Lessee as provided in this Agreement and the

Lease. Any and all parts installed on and additions and replacements made to any unit of the Equipment (except as otherwise specifically provided in § 9 of the Lease) shall constitute accessions to the Equipment and shall be subject to all the terms and conditions of this Agreement and included in the term "Equipment" as used in this Agreement.

Except as otherwise specifically provided in Article 7 hereof, when and only when the Vendor shall have been paid the full indebtedness in respect of the Vendee's Purchase Price of the Equipment, together with accrued interest and all other payments as herein provided, absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee without further transfer or action on the part of the Vendor. However, the Vendor, if so requested by the Vendee at that time, will (a) execute a bill or bills of sale for the Equipment releasing its security title to and interest therein to the Vendee or upon its order, free of all liens, security interests and other encumbrances created or retained hereby and deliver such bill or bills of sale to the Vendee and (b) execute and deliver to the Vendee for filing, recording or depositing in all necessary public offices, such instrument or instruments in writing as may be necessary or appropriate in order then to make clear upon the public records the title of the Vendee to the Equipment. The Vendee hereby waives any and all rights, existing or that may be acquired, in or to the payment of any penalty or damages for failure to execute and deliver such bill or bills of sale or instrument or instruments or to file any certificate of payment in compliance with any law requiring the filing of the same, except for failure so to do within a reasonable time after written demand by the Vendee.

ARTICLE 6. Taxes. All payments to be made by the Vendee hereunder will be free of expense to the Vendor for collection or other charges and will be free of expense to the Vendor with respect to the amount of any local, state, Federal or foreign taxes (other than gross receipts taxes [except gross receipt taxes in the nature of or in lieu of sales or use or rental taxes], taxes measured by net income, excess profits taxes and similar taxes) or license and registration fees, levies, imposts, duties, assessments, charges, fines, penalties or additions to tax hereafter levied or imposed upon or in connection with or measured by this Agreement or the Equipment or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof (all such expenses, taxes, license and registra-

tion fees, levies, imposts, duties, assessments, charges, fines, penalties or additions to tax being hereinafter called "impositions"), all of which impositions the Vendee assumes and agrees to pay on demand in addition to the Vendee's Purchase Price of the Equipment. The Vendee will also pay promptly all impositions which may be imposed upon the Equipment delivered to it or for the use or operation thereof or upon the earnings arising therefrom (except as provided above) or upon the Vendor solely by reason of its ownership thereof (except as provided above) and will keep at all times all and every part of the Equipment free and clear of all impositions which might in any way affect the title or interests of the Vendor or result in a lien upon any part of the Equipment; provided, however, that the Vendee shall be under no obligation to pay any impositions of any kind so long as it is contesting in good faith and by appropriate legal or administrative proceedings such impositions and the nonpayment thereof does not, in the reasonable opinion of the Vendor, adversely affect the title or interests or property or rights of the Vendor in or to the Equipment or otherwise under this Agreement. If any impositions shall have been charged or levied against the Vendor directly and paid by the Vendor, the Vendee shall reimburse the Vendor upon presentation of an invoice therefor, and any amounts so paid by the Vendor shall be secured by and under this Agreement; provided, however, that the Vendee shall not be obligated to reimburse the Vendor for any impositions so paid unless the Vendor shall have been legally liable with respect thereto (as evidenced by an opinion of counsel for the Vendor) or unless the Vendee shall have approved in writing the payment thereof. If the Vendor shall obtain a refund of all or any part of such impositions previously reimbursed by the Vendee or an amount representing interest thereon, the Vendor shall pay the Vendee the amount of such refund or interest net of expenses. The obligations of the Vendee under this Article 6 are subject to the limitations contained in the last paragraph of Article 4 hereof and in Article 21 hereof.

ARTICLE 7. Maintenance; Casualty Occurrences. The Vendee shall, at its own cost and expense, maintain and service each unit of Equipment and comply with a preventive maintenance schedule consistent with the Builder's preventive maintenance schedules and which will include testing, repair and overhaul of each unit of Equipment so that each unit of Equipment will remain (a) in as good operating condition as when delivered (ordinary wear and tear excepted), (b) in compliance with any and all applicable laws and regulations,

and (c) desirable to and suitable for immediate purchase or lease and use by a Class I line-haul railroad (not then or prospectively a debtor in any insolvency or reorganization proceedings) in the event of resale or re-lease upon an event of default hereunder. In no event shall any unit be maintained or scheduled for maintenance on a basis less frequent than the maintenance or maintenance scheduling basis employed as of the date hereof by the Lessee for similar equipment.

In the event that any unit of the Equipment shall suffer a Casualty Occurrence (as defined in § 7 of the Lease) or any unit shall have been deemed to have suffered a Casualty Occurrence as specified in § 8 of the Lease, the Vendee shall, promptly after it shall have determined that such unit has suffered a Casualty Occurrence, cause the Vendor to be fully informed in regard thereto. On the date for payment of interest on the CSA Indebtedness under Article 4 hereof next succeeding such notice (hereinafter called a "Casualty Payment Date"), the Vendee shall pay to the Vendor an amount equal to the Casualty Value (as hereinafter defined in this Article) of such unit suffering a Casualty Occurrence as of such Casualty Payment Date and shall file, or cause to be filed, with the Vendor a certificate setting forth the Casualty Value of such unit. Any money paid to the Vendor pursuant to this paragraph shall be applied (after the payment of the interest and principal, if any, on and of the CSA Indebtedness due on such date) to prepay without penalty or premium the installments of the CSA Indebtedness (ratably in accordance with the unpaid principal balance of each such installment) together with all unpaid and accrued interest thereon, and the Vendee will promptly furnish to the Vendor and the Lessee a revised schedule of payments of principal and interest with respect to the CSA Indebtedness thereafter to be made. In the event of the requisition for use by the United States Government or any other government or governmental entity of any unit of the Equipment not constituting a Casualty Occurrence, all of the Vendee's obligations hereunder with respect to such unit shall continue to the same extent as if such requisition had not occurred.

Upon payment by the Vendee to the Vendor of the Casualty Value of any unit of the Equipment having suffered a Casualty Occurrence, absolute right to the possession of, title to and property in such unit shall pass to and vest in the Vendee, without further transfer or action on the part of the Vendor, except that the Vendor, if requested by the

Vendee, will execute and deliver to the Vendee, at the expense of the Vendee, an appropriate instrument confirming such passage to the Vendee of all the Vendor's security title and interest, and the release of the Vendor's security interest, in such unit, in recordable form, in order that the Vendee may make clear upon the public records the title of the Vendee to such unit.

For the purposes of this Agreement, the Casualty Value of each unit of the Equipment suffering a Casualty Occurrence shall be deemed to be that portion of the original Vendee's Purchase Price thereof remaining unpaid on the Casualty Payment Date with respect to such unit (without giving effect to any prepayment or prepayments theretofore made under this Article with respect to any other unit), plus interest accrued thereon but unpaid as of such Casualty Payment Date. For the purpose of this paragraph, each payment of Vendee's Purchase Price in respect of Equipment made pursuant to Article 4 hereof shall be deemed to be a payment on each unit of the Equipment in like proportion as the original Vendee's Purchase Price of such unit bears to the aggregate original Vendee's Purchase Price of the Equipment.

The Vendee will cause the Equipment to be insured as provided in the last paragraph of § 7 of the Lease. If the Vendor shall receive any insurance proceeds or condemnation payments in respect of such units suffering a Casualty Occurrence, the Vendor shall, subject to having received payment of the Casualty Value and provided no Default shall have occurred and be continuing, pay such insurance proceeds or condemnation payments to the Vendee. All insurance proceeds or condemnation payments received by the Vendor in respect of any unit of Equipment not suffering a Casualty Occurrence shall be paid to the Vendee upon reasonable proof satisfactory to the Vendor that any damage to such unit in respect of which such proceeds were paid has been fully repaired so as to comply with the provisions of the first paragraph of this Article 7, provided no Default shall have occurred and be continuing.

ARTICLE 8. Reports. On or before April 30 in each year, commencing with the year 1980, the Vendee shall cause to be furnished to the Vendor an accurate statement to the effect set forth in § 8 of the Lease.

ARTICLE 9. Marking of Equipment. The Vendee will cause each unit of the Equipment to be kept numbered and

marked as provided in § 5 of the Lease. The Vendee will not permit any such unit to be placed in operation or exercise any control or dominion over the same until such markings shall have been made thereon and will replace or will cause to be replaced promptly any such markings which may be removed, defaced or destroyed. The Vendee will not permit the identification number of any unit of the Equipment to be changed except in accordance with a statement of new number or numbers to be substituted therefor, which statement previously shall have been filed with the Vendor and filed and deposited by the Vendee in all public offices where this Agreement shall have been filed and deposited.

Except as provided in the immediately preceding paragraph, the Vendee will not allow the name of any person, association or corporation to be placed on any unit of the Equipment as a designation that might be interpreted as a claim of ownership; provided, however, that the Equipment may be lettered with the names or initials or other insignia customarily used by the lessee thereof or its affiliates.

ARTICLE 10. Compliance with Laws and Rules.

During the term of this Agreement, the Vendee will comply, and will cause every lessee or user of the Equipment to comply, in all respects (including, without limitation, with respect to the use, maintenance and operation of the Equipment) with all applicable laws of the jurisdictions in which its or such lessee's or user's operations involving the Equipment may extend, with the interchange rules of the Association of American Railroads, if applicable, and with all lawful rules of the United States Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Equipment, to the extent that such laws and rules affect the title, operation or use of the Equipment, and in the event that such laws or rules require any alteration, replacement, addition or modification of or to any part on any unit of the Equipment, the Vendee will conform therewith at its own expense; provided, however, that the Vendee or the Lessee may, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the reasonable opinion of the Vendor, adversely affect the property or rights of the Vendor under this Agreement.

ARTICLE 11. Possession and Use. The Vendee, so long as an event of default shall not have occurred and be

continuing under this Agreement, shall be entitled, from and after delivery of the Equipment by NAC to the Vendee, to the possession of the Equipment and the use thereof, but only upon and subject to all the terms and conditions of this Agreement.

The parties hereto acknowledge that the Vendee simultaneously is leasing the Equipment to the Lessee as provided in the Lease, and the rights of the Lessee and its permitted assigns under the Lease shall be subordinated and junior in rank to the rights, and shall be subject to the remedies, of the Vendor under this Agreement. The Lease shall not be amended or terminated (except in accordance with its terms) without the prior written consent of the Vendor.

ARTICLE 12. Prohibition Against Liens. The Vendee will pay or discharge any and all sums claimed by any party from, through or under the Vendee, the Owner or their respective successors or assigns (other than the Assignee) which, if unpaid, might become a lien, charge or security interest on or with respect to the Equipment, or any unit thereof, or the interest of the Vendor therein, or the Vendee's interests in the Lease and the payments due and to become due thereunder, and will promptly discharge any such lien, charge or security interest which arises, but shall not be required to pay or discharge any such lien, charge or security interest so long as the validity thereof shall be contested in good faith and by appropriate legal or administrative proceedings in any reasonable manner and the nonpayment thereof does not, in the reasonable opinion of the Vendor, adversely affect the title or interests of the Vendor in or to the Equipment or otherwise under this Agreement. Any amounts paid by the Vendor in discharge of such liens, charges or security interests upon the Equipment shall be secured by and under this Agreement.

This covenant will not be deemed breached by reason of liens for taxes, assessments or governmental charges or levies, in each case not due and delinquent, or undetermined or inchoate materialmen's, mechanics', workmen's, repairmen's or other like liens arising in the ordinary course of business and, in each case, not delinquent.

The foregoing provisions of this Article 12 shall be subject to the limitations set forth in the last paragraph of Article 4 hereof and the provisions of Article 21 hereof; provided, however, that the Vendee will pay or discharge

any and all taxes, claims, liens, charges or security interests claimed by any party from, through or under the Vendee, the Owner or their respective successors or assigns (other than the Assignee), not arising out of the transactions contemplated hereby (but including liens for gross receipts taxes (except gross receipts taxes in the nature of or in lieu of sales, use or rental taxes), taxes measured by net income, excess profits taxes and similar taxes to the extent that the same arise out of the receipt of the rentals and other payments under the Lease and any other proceeds from the Equipment), which, if unpaid, might become a lien, charge or security interest on or with respect to the Equipment, or any unit thereof, or the Vendee's interest in the Lease and the payments to be made thereunder, but the Vendee shall not be required to pay or discharge any such claim so long as the validity thereof shall be contested in good faith and by appropriate legal or administrative proceedings in any reasonable manner and the nonpayment thereof does not, in the reasonable opinion of the Vendor, adversely affect the security interest of the Vendor in or to the Equipment or otherwise under this Agreement or in and to the Lease and the payments to be made thereunder.

ARTICLE 13. Indemnities and Warranties. The Vendee agrees to indemnify, protect and hold harmless the Vendor from and against all losses, damages, injuries, liabilities, claims (including, without limitation, claims for strict liability in tort) and demands whatsoever, regardless of the cause thereof, and expenses in connection therewith, including, but not limited to, counsel fees and expenses, penalties and interest, arising out of or as the result of the entering into or the performance of this Agreement, the retention by the Vendor of title to or a security interest in the Equipment, the ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return of any of the Equipment, any claim for patent, trademark or copyright infringement, any accident in connection with the operation, use, condition, possession, storage or return of any of the Equipment resulting in damage to property or injury or death to any person during the period when security title thereto or a security interest therein remains in the Vendor or the transfer of title to the Equipment by the Vendor pursuant to any of the provisions of this Agreement, except, however, Taxes (as defined in the Lease) measured by net income and, except, in the case of NAC or the Builder, any losses, damages, injuries, liabilities, claims and demands whatsoever arising out of any breach of warranty or

failure to perform any covenant hereunder by the Builder or NAC, as the case may be. This covenant of indemnity shall continue in full force and effect notwithstanding the full payment of the indebtedness in respect of the Vendee's Purchase Price of, and the release of the Vendor's security interest in, the Equipment, as provided in Article 5 hereof, or the termination of this Agreement in any manner whatsoever.

The Vendee will bear the responsibility for and risk of, and shall not be released from its obligations hereunder (except as provided in Article 21 hereof) in the event of, any damage to or the destruction or loss of any unit of or all the Equipment.

The Builder represents and warrants to NAC and the Vendee and their respective successors and assigns that, at the time of delivery to the Vendee of each unit of Equipment under this Agreement, NAC will have good and marketable title to such unit, free and clear of all claims, liens, security interests and other encumbrances of any nature except only the rights of (i) the Vendor under this Agreement, (ii) the Vendee and the Owner under their respective Documents (as defined in the Participation Agreement) and (iii) the rights of the Lessee under the Lease.

The Builder represents that it is not entering into this Agreement, or into any other transaction contemplated by the Participation Agreement, directly or indirectly in connection with any arrangement or understanding by it in any way involving any employee benefit plan (other than a governmental plan) with respect to which it, or, insofar as is known to it, any party to the Participation Agreement is a party in interest, all within the meaning of the Employee Retirement Income Security Act of 1974, as amended.

NAC represents and warrants to the Vendee and its successors and assigns that, at the time of delivery to and acceptance by the Vendee of each unit of the Equipment under this Agreement, the Vendee will have good and marketable title to such unit, free and clear of all claims, liens, security interests and other encumbrances of any nature except only the rights of the Vendor and the Owner under their respective Documents and the rights of the Lessee under the Lease.

The agreements of the parties relating to the Builder's warranty of material and workmanship and patent

indemnification, and the agreement of the parties relating to the Builder's limitation of liability, are set forth in Items 3 and 4 of Annex A hereto.

ARTICLE 14. Assignments. The Vendee will not, (a) except as provided in Article 11 hereof or in the Trust Agreement, transfer the right to possession of any unit of the Equipment or (b) sell, assign, transfer or otherwise dispose of its rights under this Agreement unless such sale, assignment, transfer or disposition (i) is made expressly subject in all respects to the rights and remedies of the Vendor hereunder (including, without limitation, rights and remedies against the Vendee) and (ii) is made to a bank or trust company having capital and surplus aggregating at least \$50,000,000, and such bank or trust company expressly assumes, in writing, in form reasonably satisfactory to the Vendor, all the obligations of the Vendee under this Agreement; provided, however, no such sale, assignment, transfer or disposition to an affiliate of the Vendee shall in any manner relieve the Vendee as primary obligor hereunder.

All or any of the rights, benefits and advantages of the Vendor under this Agreement, including the right to receive the payments herein provided to be made by the Vendee, may be assigned by the Vendor and reassigned by any assignee at any time or from time to time. No such assignment shall subject any assignee to, or relieve the Builder or NAC from, any of the obligations of the Builder to construct and sell the Equipment to NAC or of NAC to sell the Equipment to the Vendee in accordance herewith or to respond to their warranties and indemnities referred to in Article 13 hereof, or relieve the Vendee of its obligations to NAC, or NAC of its obligations to the Builder contained in Articles 2, 3, 4, 6 and 13 hereof, Annex A hereto and this Article 14, or any other obligation which, according to its terms or context, is intended to survive an assignment.

Upon any such assignment, the assignor shall give written notice to the Vendee and the Lessee, together with a copy of such assignment, stating the identity and post office address of the assignee, and such assignee shall, by virtue of such assignment, acquire all the assignor's right, title and interest in and to the Equipment and this Agreement, or in and to a portion thereof, as the case may be, subject only to such reservations as may be contained in such assignment. From and after the receipt by the Vendee of the notification of any such assignment, all payments thereafter to be made

by the Vendee under this Agreement shall, to the extent so assigned, be made to the assignee at such address as it may direct.

The Vendee recognizes that this Agreement will be assigned to the Assignee as provided in the CSA Assignment. The Vendee expressly represents, for the purpose of assurance to any person, firm or corporation considering the acquisition of this Agreement or of all or any of the rights of the Vendor hereunder, and for the purpose of inducing such acquisition, that the rights of the assignee to the entire unpaid indebtedness in respect of the Vendee's Purchase Price of the Equipment or such part thereof as may be assigned together with interest thereon, as well as any other rights hereunder which may be so assigned, shall not be subject to any defense, setoff, counterclaim or recoupment whatsoever arising out of any breach of any obligation of NAC or the Builder with respect to the Equipment or the construction, delivery or warranty thereof, or with respect to any indemnity herein contained, nor subject to any defense, setoff, counterclaim or recoupment whatsoever arising by reason of any other indebtedness or liability at any time owing to the Vendee or the Lessee by NAC or the Builder. Any and all such obligations, howsoever arising, shall be and remain enforceable by the Vendee or the Lessee, as the case may be, against and only against NAC and/or the Builder.

ARTICLE 15. Defaults. In the event that any one or more of the following events of default shall occur and be continuing:

(a) the Vendee shall fail to pay in full any sum payable by the Vendee when payment thereof shall be due hereunder (irrespective of the provisions of Article 4 or 21 hereof or any other provision of this Agreement limiting the liability of the Vendee) and such default shall continue for 10 business days after the date such payment is due and payable; or

(b) default shall be made in the observance or performance of any other of the conditions and agreements on the part of the Vendee (irrespective of the provisions of Article 4 or 21 hereof or any other provision of this Agreement limiting the liability of the Vendee) or the Lessee contained herein or in any agreement entered into concurrently herewith relating to the financing of the Equipment (other than the Lease),

and such default shall continue for 30 days after the earlier of (i) written notice from the Vendor to the Vendee and the Lessee specifying the default and demanding that the same be remedied and (ii) the date on which such default shall first become known to any trust officer of the Vendee (the term "known to any trust officer of the Vendee" shall mean actual knowledge by an officer or employee in the corporate trust department of the Vendee); or

(c) a petition for reorganization under Section 77 of the Bankruptcy Act (as now constituted or as hereafter amended, including any successor provision thereto), or under any other provision of Title 11 of the United States Code, shall be filed by or against the Lessee and, unless such petition shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under the Lease and the Consent shall not have been and shall not continue to have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees appointed (whether or not subject to ratification) in such proceedings in such manner that such obligations shall have the same status as expenses of administration and obligations incurred by such trustee or trustees, within 60 days after such petition shall have been filed or by the trustee in such proceedings in accordance with the provisions of 11 U.S.C. § 1168, or any successor provision, as the same may hereafter be amended; or

(d) any other proceeding shall be commenced by or against the Vendee or the Lessee for any relief which includes, or might result in, any modification of the obligations of the Vendee hereunder or of the Lessee under the Lease or the Consent under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustment of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustment of such obligations), and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Vendee under this Agreement or of the Lessee under the Lease and the

Consent, as the case may be, shall not have been and shall not continue to have been duly assumed in writing by the trustee in such proceedings in accordance with the provisions of 11 U.S.C. § 1168, or any successor provision, as the same may hereafter be amended, or pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed (whether or not subject to ratification) for the Vendee or the Lessee, as the case may be, or for their respective property in connection with any such proceedings in such manner that such obligations shall have the same status as expenses of administration and obligations incurred by such trustee or trustees or receiver or receivers, within 60 days after such proceedings shall have been commenced; or

(e) the Vendee shall make or permit any unauthorized assignment or transfer of this Agreement or any interest herein or any unauthorized transfer of the right to possession or use of any unit of the Equipment and the Vendee shall, for more than 30 days after demand in writing by the Vendor, fail to secure a reassignment or retransfer to the Vendee of such Agreement, interest or right; or

(f) an Event of Default (as defined in the Lease) shall have occurred; provided, however, that any Event of Default under clause (A) or (C) of § 10 of the Lease shall not be deemed to be an event of default hereunder (1) if there is no other event of default under this Article 15 and (2) if the Vendee shall, in the case of an Event of Default that arises under clause (A) of § 10 of the Lease, make payment, within the 10 business day period provided by subparagraph (a) of this Article 15, of all amounts in default under such subparagraph (a) (provided, however, that the Vendee shall not have the right so to prevent such Event of Default under clause (A) of § 10 of the Lease from becoming an event of default hereunder if (x) more than six such Events of Default shall have occurred or (y) more than four such Events of Default shall have occurred consecutively); or if the Vendee shall, in the case of an Event of Default that arises under clause (C) of § 10 of the Lease, cause to be performed or observed, within the period specified in said clause (C), the provisions in respect of which the Lessee is in default;

then at any time after the occurrence of such an event of default and so long as such event of default is continuing the Vendor may, upon written notice to the Vendee and the Lessee and upon compliance with any legal requirements then in force and applicable to such action by the Vendor, (i) cause the Lease immediately upon such notice to terminate, but the Lessee shall remain liable as therein provided and/or (ii) declare (herein called a "Declaration of Default") the entire unpaid CSA Indebtedness, together with the interest thereon then accrued and unpaid, immediately due and payable, without further demand, and thereafter the aggregate of the unpaid balance of the CSA Indebtedness and interest shall bear interest from the date of such Declaration of Default at the Overdue Rate, to the extent legally enforceable. Upon a Declaration of Default, subject to Article 4 hereof, the Vendor shall be entitled to recover judgment for the entire unpaid balance of the CSA Indebtedness so payable, with interest as aforesaid, subject to the provisions of Article 21 and the final paragraph of Article 4 hereof, and to collect such judgment out of the "income and proceeds of the Equipment" wherever situated. The Vendee agrees to notify the Vendor promptly of any event of which it has knowledge which constitutes or with the giving of notice and/or lapse of time could constitute an event of default under the Agreement.

The Vendor may, at its election, waive any such event of default and its consequences and rescind and annul any Declaration of Default or notice of termination of the Lease by notice to the Vendee and the Lessee in writing to that effect, and thereupon the respective rights of the parties shall be as they would have been if no such event of default had occurred and no Declaration of Default or notice of termination of the Lease had been made or given. Notwithstanding the provisions of this paragraph, it is expressly agreed by the Vendee that time is of the essence of this Agreement and that no such waiver, rescission or annulment shall extend to or affect any other or subsequent default or impair any rights or remedies consequent thereon.

Upon payment in whole of the CSA Indebtedness, together with accrued interest thereon to the date of such prepayment, absolute right to the possession of, title to and property in the Equipment shall thereupon pass to and vest in the Vendee as provided in Article 5 hereof and the Vendee shall have the right to give the instructions to the

Agent provided for in the fourth sentence of the fifth paragraph and the first sentence of the eleventh paragraph of Paragraph 11 of the Participation Agreement.

ARTICLE 16. Remedies. At any time during the continuance of a Declaration of Default, the Vendor may, upon such further notice, if any, as may be required for compliance with any mandatory legal requirements then in force and applicable to the action to be taken by the Vendor, take or cause to be taken, by its agent or agents, immediate possession of the Equipment, or any portion thereof, without liability to return to the Vendee any sums theretofore paid and free from all claims whatsoever, except as hereinafter in this Article 16 expressly provided, and may remove the same from possession and use of the Vendee or any other person and for such purpose may enter upon the premises of the Vendee or any other premises where the Equipment may be located and may use and employ in connection with such removal any supplies, services and aids and any available trackage and other facilities or means of the Vendee, subject to all mandatory requirements of due process of law.

In case the Vendor shall demand possession of the Equipment pursuant to this Agreement and shall designate a reasonable point or points for the delivery of the Equipment to the Vendor, the Vendee shall, at its own expense and risk:

(a) forthwith and in the usual manner (including, but not by way of limitation, causing prompt telegraphic and written notice to be given to the Association of American Railroads and all railroads to which any unit or units of the Equipment have been interchanged or which may have possession thereof to return the unit or units so interchanged) cause the Equipment to be placed upon such storage tracks of the Lessee or any of its affiliates as the Vendor reasonably may designate;

(b) permit the Vendor to store the Equipment on such tracks at the risk of the Vendee without charge for insurance, rent or storage until the Equipment has been sold, leased or otherwise disposed of by the Vendor; and

(c) cause the Equipment to be transported to any reasonable place on the lines of railroad operated by

the Lessee or any of its affiliates or to any connecting carrier for shipment, all as directed by the Vendor.

During any storage period, the Vendee will, at its own cost and expense, insure (to the same extent as provided in § 7 of the Lease), maintain and keep each such unit in good order and repair (to the same extent as provided in the first paragraph of Article 7 hereof) and will permit the inspection of the Equipment by the Vendor, the Vendor's representatives and prospective purchasers, lessees and users. This agreement to deliver the Equipment and furnish facilities as hereinbefore provided is of the essence of the agreement between the parties, and, upon application to any court of equity having jurisdiction, the Vendor shall be entitled to a decree against the Vendee requiring specific performance hereof. The Vendee hereby expressly waives any and all claims against the Vendor and its agent or agents for damages of whatever nature in connection with any retaking of any unit of the Equipment in any reasonable manner.

At any time during the continuance of a Declaration of Default, the Vendor (after retaking possession of the Equipment as hereinbefore in this Article 16 provided) may, at its election and upon such notice as is hereinafter set forth, retain the Equipment in satisfaction of the entire CSA Indebtedness and make such disposition thereof as the Vendor shall deem fit. Written notice of the Vendor's election to retain the Equipment shall be given to the Vendee and the Lessee by telegram or registered mail, and to any other persons to whom the law may require notice, within 30 days after such Declaration of Default. In the event that the Vendor should elect to retain the Equipment and no objection is made thereto within the 30-day period described in the second proviso below, all the Vendee's rights in the Equipment shall thereupon terminate and all payments made by the Vendee or for its account may be retained by the Vendor as compensation for the use of the Equipment; provided, however, that if the Vendee, before the expiration of the 30-day period described in the proviso below, should pay or cause to be paid to the Vendor the total unpaid balance of the CSA Indebtedness, together with interest thereon accrued and unpaid and all other payments due under this Agreement, then in such event absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee; provided, further, however, that if the Vendee, the Lessee or any other persons notified under the terms of this paragraph object in writing to the Vendor within 30 days from

the receipt of notice of the Vendor's election to retain the Equipment, then the Vendor may not so retain the Equipment, but shall sell, lease or otherwise dispose of it or continue to hold it pending sale, lease or other disposition as hereinafter provided or as may otherwise be permitted by law. If the Vendor shall not have given notice to retain as hereinabove provided or notice of intention to dispose of the Equipment in any other manner, it shall be deemed to have elected to sell the Equipment in accordance with the provisions of this Article 16.

At any time during the continuance of a Declaration of Default, the Vendor, with or without retaking possession thereof, at its election and upon reasonable notice to the Vendee, the Lessee and any other persons to whom the law may require notice of the time and place, may sell the Equipment, or one or more of the units thereof, free from any and all claims of the Vendee, the Lessee or any other party claiming from, through or under the Vendee or the Lessee, at law or in equity, at public or private sale and with or without advertisement as the Vendor may determine; provided, however, that if, prior to such sale and prior to the making of a contract for such sale, the Vendee should tender full payment of the total unpaid balance of the CSA Indebtedness, together with interest thereon accrued and unpaid and all other payments due under this Agreement as well as expenses of the Vendor in retaking possession of, removing, storing, holding and preparing the Equipment for, and otherwise arranging for, the sale and the Vendor's reasonable attorneys' fees, then upon receipt of such payment, expenses and fees by the Vendor, absolute right to the possession of, title to and property in the Equipment shall pass to and vest in the Vendee. The proceeds of such sale or other disposition, less the attorneys' fees and any other expenses incurred by the Vendor in retaking possession of, removing, storing, holding, preparing for sale and selling or otherwise disposing of the Equipment shall be credited on the amount due to the Vendor under the provisions of this Agreement.

Any sale hereunder may be held or conducted at New York, New York or Philadelphia, Pennsylvania at such time or times as the Vendor may specify (unless the Vendor shall specify a different place or places, in which case the sale shall be held at such place or places as the Vendor may specify), in one lot and as an entirety or in separate lots and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner as

the Vendor may determine, so long as such sale shall be in a commercially reasonable manner. The Vendor and the Vendee may bid for and become the purchaser of the Equipment, or any unit thereof, so offered for sale. The Vendee and the Lessee shall be given written notice of such sale or the making of a contract for such sale not less than 10 business days prior thereto, by telegram or registered mail. If such sale shall be a private sale (which shall be deemed to mean only a sale where an advertisement for bids has not been published in a newspaper of general circulation or a sale where fewer than 40 offerees have been solicited in writing to submit bids), it shall be subject to the rights of the Vendee to purchase or provide a purchaser, within 10 days after notice of the proposed sale price, at the same price offered by the intending purchaser or a better price. In the event that the Vendor shall be the purchaser of the Equipment, it shall not be accountable to the Vendee or the Lessee (except to the extent of surplus money received as hereinafter provided in this Article 16), and in payment of the purchase price therefor the Vendor shall be entitled to have credited on account thereof all or any part of sums due to the Vendor hereunder.

Each and every power and remedy hereby specifically given to the Vendor shall be in addition to every other power and remedy hereby specifically given or now or hereafter existing at law or in equity, and may be exercised from time to time and simultaneously and as often and in such order as may be deemed expedient by the Vendor. All such powers and remedies shall be cumulative, and the exercise of one shall not be deemed a waiver of the right to exercise any other or others. No delay or omission of the Vendor in the exercise of any such power or remedy and no renewal or extension of any payments due hereunder shall impair any such power or remedy or shall be construed to be a waiver of any default or an acquiescence therein. Any extension of time for payment hereunder or other indulgence granted to the Vendee or the Lessee shall not otherwise alter or affect the Vendor's rights or the Vendee's obligations hereunder. The Vendor's acceptance of any payment after it shall have become due shall not be deemed to alter or affect the Vendee's obligations or the Vendor's rights hereunder with respect to any subsequent payments or default therein.

Subject to the provisions of the third paragraph of this Article 16, if, after applying all sums of money realized by the Vendor under the remedies herein provided,

there shall remain any amount due to it under the provisions of this Agreement, the Vendee shall, subject to the limitations of the last paragraph of Article 4 hereof, pay the amount of such deficiency to the Vendor upon demand, together with interest thereon from the date of such demand to the date of payment at the Overdue Rate, and, if the Vendee shall fail to pay such deficiency, the Vendor may bring suit therefor and shall, subject to the limitations of the last paragraph of Article 4 hereof, be entitled to recover a judgment therefor against the Vendee. If, after applying as aforesaid all sums realized by the Vendor, there shall remain a surplus in the possession of the Vendor, such surplus shall be paid to the Vendee.

The Vendee will pay all reasonable expenses, including attorneys' fees, incurred by the Vendor in enforcing its remedies under the terms of this Agreement. In the event that the Vendor shall bring any suit to enforce any of its rights hereunder and shall be entitled to judgment, then in such suit the Vendor may recover reasonable expenses, including reasonable attorneys' fees, and the amount thereof shall be included in such judgment.

The foregoing provisions of this Article 16 are subject in all respects to all mandatory legal requirements at the time in force and applicable thereto.

ARTICLE 17. Applicable State Laws. Any provision of this Agreement prohibited by any applicable law of any jurisdiction shall as to such jurisdiction be ineffective, without modifying the remaining provisions of this Agreement. Where, however, the conflicting provisions of any such applicable law may be waived, they are hereby waived by the Vendee to the full extent permitted by law, it being the intention of the parties hereto that this Agreement, except such portion as relates to the sale of the Equipment by the Builder to NAC, shall be deemed to be a conditional sale and enforced as such.

Except as otherwise provided in this Agreement, the Vendee, to the full extent permitted by law, hereby waives all statutory or other legal requirements for any notice of any kind, notice of intention to take possession of or to sell or lease the Equipment, and any other requirements as to the time, place and terms of the sale or lease thereof, any other requirements with respect to the enforcement of the Vendor's rights under this Agreement and any and all rights of redemption.

ARTICLE 18. Recording. The Vendee will cause this Agreement, any assignments hereof and any amendments or supplements hereto or thereto, to be filed in accordance with 49 U.S.C. § 11303 and deposited with the Registrar General of Canada (notice of such deposit to be forthwith given in The Canada Gazette) pursuant to Section 86 of the Railway Act of Canada; and the Vendee will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, deposit and record any and all further instruments required by law or reasonably requested by the Vendor for the purpose of proper protection, to the satisfaction of counsel for the Vendor, of its interest in the Equipment and its rights under this Agreement or for the purpose of carrying out the intention of this Agreement; and the Vendee will promptly furnish to the Vendor certificates or other evidence of such filing, registering, depositing and recording satisfactory to the Vendor.

ARTICLE 19. Article Headings; Effect and Modification of Agreement. All article headings are inserted for convenience only and shall not affect any construction or interpretation of this Agreement.

Except for the Participation Agreement and the exhibits thereto, this Agreement, including the Annexes hereto, exclusively and completely states the rights of the Vendor and the Vendee with respect to the Equipment and supersedes all other agreements, oral or written, with respect to the Equipment. No variation or modification of this Agreement and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized representatives of the Vendor and the Vendee.

ARTICLE 20. Notice. Any notice hereunder to any of the parties designated below shall be deemed to be properly made if delivered or mailed to it by registered mail (unless otherwise specifically required herein), postage prepaid, at the following addresses:

(a) to the Vendee, at One Constitution Plaza,  
Hartford, Connecticut 06115, Attention of Corporate  
Trust Department with copies to the Owner at its address  
specified below;

(b) to the Lessee, at 1310 Six Penn Center Plaza,  
Philadelphia, Pennsylvania 19104, Attention of Vice  
President and Treasurer;

(c) to the Builder at its address specified in Item 1 of Annex A hereto;

(d) to the Assignee, at its address at 135 South LaSalle Street, Chicago, Illinois 60690, Attention of Corporate Trust Department;

(e) to the Owner at 2700 Sanders Road, Prospect Heights, Illinois 60070, Attention of Carl W. Giessel, Vice President;

(f) to NAC, at 222 South Riverside Plaza, Chicago, Illinois 60606, Attention of Vice President-Law;

(g) to any assignee of the Vendor, the Assignee or the Vendee, at such address as may have been furnished in writing to the Vendee, the Vendor or the Assignee, as the case may be, by such assignee;

or at such other address as may have been furnished in writing by such party to the other parties referred to above.

ARTICLE 21. Immunities; Satisfaction of Undertakings. No recourse shall be had in respect of any obligation due under this Agreement (including any obligation referred to in the next succeeding paragraph), or referred to herein, against any incorporator, stockholder, director or officer, as such, past, present or future, of the parties hereto (or of the Owner, except as described in Paragraph 19 of the Participation Agreement) whether by virtue of any constitutional provision, statute or rule of law, or by enforcement of any assessment or penalty or otherwise, all such liability, whether at common law, in equity, by any constitutional provision, statute or otherwise, of such incorporators, stockholders, directors or officers, as such, being forever released as a condition of and as consideration for the execution of this Agreement.

The obligations of the Vendee under the second and eighth paragraphs of Article 16 (including the provisions thereof with respect to insurance, maintenance and repair) and under Articles 3, 6, 7 (other than the second and third sentences of the second paragraph thereof, which, in the case of the second sentence, is subject to the provisions of the last paragraph of Article 4), 8, 9, 10, 12 (other than the proviso to the last paragraph thereof), 13 and 18 hereof shall be deemed in all respects satisfied by the Lessee's

undertakings contained in the Lease. The Vendee shall not have any responsibility for the Lessee's failure to perform such obligations, but if the same shall not be performed they shall constitute the basis for an event of default pursuant to Article 15 hereof.

Anything in this Agreement to the contrary notwithstanding, each and all of the representations, warranties, undertakings and agreements herein made on the part of the Vendee are made and intended not as personal representations, warranties, undertakings and agreements by The Connecticut Bank and Trust Company or for the purpose or with the intention of binding it personally but are made and intended for the purpose of binding only the Trust Estate as such term is used in the Trust Agreement, and this Agreement is executed and delivered by the said bank solely in the exercise of the powers expressly conferred upon it as trustee under the Trust Agreement; and except in the case of wilful misconduct or gross negligence on the part of said bank, no personal liability or personal responsibility hereunder is assumed by or shall at any time be enforceable against said bank (except liability under the proviso contained in the last paragraph of Article 12 hereof) or the Owner (except as provided in the Trust Agreement) on account of any representation, warranty, undertaking or agreement hereunder of said bank or the Owner, either expressed or implied, all such personal liability (except as aforesaid), if any, being expressly waived by the Vendor and by all persons claiming by, through or under the Vendor; provided, however, that the Vendor or any person claiming by, through or under the Vendor, making claim hereunder, may look to said Trust Estate for satisfaction of the same. The Vendee agrees not to enter into any supplement or amendment to the Trust Agreement except as provided in Section 8.01 thereof as in effect on the date of execution and delivery hereof.

ARTICLE 22. Law Governing. The Vendee warrants that its chief place of business is located in the state specified in clause (a) of Article 20 hereof. The terms of this Agreement and all rights and obligations hereunder shall be governed by the laws of such state; provided, however, that the parties shall be entitled to all rights conferred by 49 U.S.C. § 11303 and such additional rights arising out of the filing, recording or deposit hereof, if any, and of any assignment hereof as shall be conferred by the laws of the several jurisdictions in which this Agreement or any assignment hereof shall be filed, recorded or deposited.

ARTICLE 23. Execution. This Agreement may be executed in any number of counterparts, such counterparts together constituting but one and the same contract, but the counterpart delivered to the Assignee pursuant to the CSA Assignment shall be deemed the original and all other counterparts shall be deemed duplicates thereof. Although for convenience this Agreement is dated as of the date first above written, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

IN WITNESS WHEREOF, the parties hereto have executed or caused this instrument to be executed all as of the date first above written.

\* Interest at the rate of 11.00% per annum from and including the applicable Closing Date to the extent accrued and not theretofore paid, calculated as provided in Article 4 of the CSA.

Annex A  
to  
Conditional Sale Agreement

- Item 1: Greenville Steel Car Company, a Pennsylvania corporation, P. O. Box 751, Greenville, Pennsylvania 16125.
- Item 2: The Equipment shall be settled for in no more than three Groups of units, unless the parties hereto shall otherwise agree.
- Item 3: The Builder warrants to NAC and the Vendee that all units of the Equipment have been built in accordance with the Specifications and with the other requirements, specifications and standards set forth or referred to in Article 2 of the CSA to which this Annex A is attached (hereinafter called this Agreement) and warrants that all Equipment is free from defects in material (except as to specialties incorporated therein which were specified or supplied by the Lessee and not manufactured by the Builder) and workmanship under normal use and service; the Builder's obligation under this paragraph being limited to making good at its plant (or at the option of the Builder at a place designated by the Builder and agreed upon by the Vendee or the Lessee) any part or parts of any unit which shall be returned to the Builder within one year after the delivery of such unit, or as to which written notice of such defect has been given by the Vendee or the Lessee to the Builder within one year after delivery of such unit and which part or parts are returned within 90 days after such notice to the Builder; provided that the Builder's examination shall disclose to its reasonable satisfaction such part or parts to have been thus defective. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND OF ALL OTHER OBLIGATIONS OR LIABILITIES ON THE PART OF THE BUILDER, EXCEPT FOR ITS OBLIGATIONS UNDER ARTICLES 2, 3, 4 AND THE THIRD AND FOURTH PARAGRAPHS OF

ARTICLE 13 OF THIS AGREEMENT. The Builder neither assumes nor authorizes any person to assume for it any other liability in connection with the construction and delivery of the Equipment, except as aforesaid. THE BUILDER SHALL NOT BE LIABLE FOR ANY INDIRECT OR CONSEQUENTIAL DAMAGES OF WHATEVER NATURE.

The Builder agrees that the Vendee, the Owner, NAC or the Lessee as well as the Builder may to the extent permitted by law take and prosecute claims against vendors of specialties purchased by the Builder for incorporation in the Equipment and not warranted hereunder for the breach of any warranty by the vendors with respect to such specialties. The Builder, NAC, the Owner, the Vendee and the Lessee each agrees, as a condition of its being a beneficiary or third party beneficiary hereof, to notify the others prior to the assertion of any claim by them against any such vendors of specialties. If the Builder determines that it has no interest in any such claim asserted by the Vendee, the Owner, NAC or the Lessee, the Builder agrees to assign to the Vendee, the Owner, NAC or the Lessee, solely for the purpose of making and prosecuting any such claim, all of the rights which the Builder has against such vendor for the breach of warranty or other representation respecting the Equipment.

The Builder further agrees that neither the inspection as provided in Article 3 of this Agreement, nor any examination or acceptance of any units of the Equipment as provided in said Article 3, shall be deemed a waiver or modification by either the Vendee or the Lessee of any of their rights under this Item 3.

It is further understood and agreed that the word "design(s)" as used herein and in Item 4 hereof and the word "specialties" as used herein shall be deemed to include articles, materials, systems, formulae and processes.

- Item 4: Except in case of designs, processes or combinations specified by the Lessee and not developed or purported to be developed by the Builder, and articles and materials specified by the Lessee and not manufactured by the Builder, the Builder agrees to

indemnify, protect and hold harmless the Lessee, the Vendee, the Assignee, NAC and the Owner from and against any and all liability, claims, demands, costs, charges and expenses, including royalty payments and reasonable attorney's fees, in any manner imposed upon or accruing against the Lessee, NAC, the Vendee, the Assignee or the Owner because of the use in or about the construction or operation of the Equipment, or any unit thereof, of any design, process, combination, article or material infringing or claimed to infringe on any patent or other right. The Lessee, as a condition to its being a third party beneficiary hereof, likewise will indemnify, protect and hold harmless the Builder from and against any and all liability, claims, demands, costs, charges and expenses, including royalty payments and reasonable attorney's fees, in any manner imposed upon or accruing against the Builder because of the use in or about the construction or operation of the Equipment, or any unit thereof, of any design, process or combination specified by the Lessee and not developed or purported to be developed by such Builder, or article or material specified by the Lessee, which infringes or is claimed to infringe on any patent or other right. The Builder agrees to and hereby does, to the extent legally possible without impairing any claim, right or cause of action hereinafter referred to, transfer, assign, set over and deliver to the Vendee, the Owner, NAC and the Lessee, every claim, right and cause of action which the Builder has or hereafter shall have against the originator or seller or sellers of any design, process, combination, article or material specified by the Lessee and used by the Builder in or about the construction or operation of the Equipment, or any unit thereof, on the ground that any such design, process, combination, article or material or operation thereof infringes or is claimed to infringe on any patent or other right, and the Builder further agrees to execute and deliver to the Lessee, the Owner, NAC and the Vendee all and every such further assurances as may be reasonably requested by the Vendee, the Owner, NAC and the Lessee more fully to effectuate the assignment, transfer and delivery of every such claim, right and cause of action. The Lessee, as a condition to its being a third party

beneficiary hereof, will give notice to the Builder of any claim known to the Lessee on the basis of which liability may be charged against the Builder hereunder and the Builder will give notice to the Lessee and the Vendee of any claim known to the Builder, on the basis of which liability may be charged against the Lessee or the Vendee hereunder.

Item 5: The Maximum Vendee's Purchase Price referred to in Article 4 of this Agreement is \$12,000,000.

Item 6: The Maximum CSA Indebtedness referred to in Article 4 of this Agreement is \$7,507,536.

Item 7: Schedule of Closings

\* This Table of Contents has been included in this document for convenience only and does not form a part of or affect any construction or interpretation of this document.

LEASE OF RAILROAD EQUIPMENT dated as of July 15, 1979, between CONSOLIDATED RAIL CORPORATION, a Pennsylvania corporation (the "Lessee"), and THE CONNECTICUT BANK AND TRUST COMPANY, a Connecticut banking corporation, not individually but solely as Trustee (the "Lessor") under a Trust Agreement dated as of the date hereof (the "Trust Agreement"), with Nineteenth HFC Leasing Corporation (the "Owner").

WHEREAS the Lessor is entering into a Conditional Sale Agreement dated as of the date hereof (the "CSA") with Greenville Steel Car Company (the "Builder") and North American Car Corporation ("NAC"), wherein the Builder has agreed to manufacture and sell to NAC, and NAC has agreed to conditionally sell to the Lessor, the units of railroad equipment described in Schedule A hereto (the "Equipment");

WHEREAS NAC is assigning its interest in the CSA to La Salle National Bank, acting as agent (said bank, as so acting, being hereinafter together with its successors and assigns called the "Vendor") under a Participation Agreement dated as of the date hereof (the "Participation Agreement") with the Lessee, NAC, the Lessor, the Owner, HFC Leasing Inc., and the parties named in Schedule A thereto (said parties, together with their successors and assigns, being hereinafter called the "Investors");

WHEREAS the Lessee desires to lease such number of units of Equipment as are delivered to and accepted by the Vendee and settled for under the CSA (the "Units") at the rentals and upon the terms and conditions hereinafter provided; and

WHEREAS the parties contemplate that the Lessor will assign, for security purposes, certain of its rights in this Lease to the Vendor by an Assignment of Lease and Agreement dated as of the date hereof (the "Lease Assignment"), and the Lessee will consent thereto by a Lessee's Consent and Agreement (the "Consent");

NOW, THEREFORE, in consideration of the premises and of the rentals to be paid and the covenants hereinafter mentioned to be kept and performed by the Lessee, the Lessor hereby leases the Units to the Lessee upon the following

terms and conditions:

§ 1. Net Lease. This Lease is a net lease and the Lessee shall not be entitled to any abatement of rent or additional rent, or setoff against or recoupment or reduction of rent or additional rent, including, but not limited to, abatements, setoffs, reductions or recoupments due or alleged to be due by reason of any past, present or future claims or counterclaims of the Lessee against the Lessor under this Lease or the CSA, or against the Owner, NAC, the Builder or the Vendor or otherwise. The Lessee's obligations hereunder, including its obligations to pay all rentals, additional rentals and other amounts hereunder, shall be absolute and unconditional under any and all circumstances, and, except as otherwise expressly provided herein, this Lease shall not terminate, nor shall the respective obligations of the Lessor or the Lessee be otherwise affected, by reason of any defect in or damage to or loss of possession or loss of use or destruction of all or any of the Units from whatsoever cause, any liens, encumbrances or rights of others with respect to any of the Units, the prohibition of or other restriction against the Lessee's use of all or any of the Units, the interference with such use by any person, the invalidity or unenforceability or lack of due authorization of this Lease, any insolvency of or any bankruptcy, reorganization or similar proceeding against the Lessee, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the rents and other amounts payable by the Lessee hereunder shall continue to be payable in all events in the manner and at the times herein provided unless the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease. To the extent permitted by applicable law, the Lessee hereby waives any and all rights which it may now have or which at any time hereafter may be conferred upon it, by statute or otherwise, to terminate, cancel, quit or surrender the lease of any of the Units except in accordance with the express terms hereof. Each rental or other payment made by the Lessee hereunder shall be final and the Lessee shall not seek to recover all or any part of such payment from the Lessor for any reason whatsoever.

§ 2. Delivery and Acceptance of Units. The Lessor hereby appoints the Lessee its agent for inspection and acceptance of the Units pursuant to the CSA. Each delivery

of a unit to the Lessor under the CSA shall be deemed to be a delivery to the Lessee at the point or points within the United States of America at which such Unit is delivered to the Lessor under the CSA. Upon such delivery, the Lessee will cause an employee of the Lessee to inspect the same and, if such Unit is found to be acceptable, to accept delivery of such Unit and execute and deliver to the Lessor a certificate of inspection and acceptance (the "Certificate of Inspection and Acceptance") substantially in the form annexed hereto as Schedule C, whereupon, except as provided in the next sentence hereof, such Unit shall be deemed to have been delivered to and accepted by the Lessee hereunder and shall be subject thereafter to all the terms and conditions of this Lease. The delivery, inspection and acceptance hereunder of any Unit of Equipment excluded from the CSA pursuant to the first paragraph of Article 4 thereof shall be null and void and ineffective to subject such Unit to this Lease or to constitute acceptance thereof on behalf of the Lessor for any purpose whatsoever.

§ 3. Rentals. The Lessee agrees to pay to the Lessor, as rental for each Unit, one interim and 64 consecutive quarterly rental payments in advance. The interim rental payment is payable on January 2, 1980 (such date being hereinafter called the "Basic Rent Commencement Date"). The 64 quarterly rental payments are payable on January 2, April 2, July 2 and October 2 in each year, commencing January 2, 1980, to and including October 2, 1995 (each of such 64 consecutive dates being hereinafter called a "Rental Payment Date"). The interim rental payment for each Unit shall be in an amount equal to the product of (a) the number of calendar days elapsed from and including the Closing Date (as defined in the CSA) for such Unit to, but not including, the Basic Rent Commencement Date, times (b) .03014% of the Vendee's Purchase Price of such Unit. The next 64 quarterly rental payments shall each be in an amount equal to 2.3276% of the Vendee's Purchase Price of each Unit. The Lessee and the Lessor agree that the rentals payable hereunder and the Casualty Value percentages set forth in Schedule B hereto will be adjusted upward or downward in the event that (A) any amendment to, or change in, the Internal Revenue Code of 1954, as amended (the "Code"), the income tax regulations thereunder or published administrative or judicial interpretations of the Code or such regulations is enacted or has an effective date on or prior to December 31, 1979, (B) any Closing Date is held on a date other than the date specified therefor in Item 7 of Annex A of the CSA, or (C) the actual dates of delivery and

acceptance of the respective Units leased hereunder precede, by more than 1,500 Aggregated Unit Days (as hereinafter defined and as calculated pursuant to the next succeeding sentence), the dates specified for such respective deliveries in Annex B to the CSA. For purposes of this § 3, the following definitions shall obtain: (x) "Unit Days" shall mean, with respect to any given Unit, the number of calendar days, if any, by which the actual delivery date of such Unit precedes the date specified for delivery thereof in Annex B to the CSA; and (y) "Aggregated Unit Days" shall mean, with respect to all of the Units delivered and accepted hereunder, the aggregate number of Unit Days attributable to all such Units. Any such adjustment shall be effective as of the first Rental Payment Date following the event giving rise to such adjustment, and shall be made in such manner as will result, in the Owner's reasonable judgment, in preserving for the Owner both the after-tax rate of return and the after-tax cash flow that would have been realized by such Owner had such event not occurred, (i) based on the rates of Federal, state and local taxes on, or measured by, net income in effect from time to time, and (ii) in all other respects based on the assumptions and methods of calculation utilized by the Owner in originally evaluating the transaction described in this Lease and related documents. Notwithstanding the foregoing, the rentals payable and Casualty Value percentages will never be less than those amounts and percentages required (x) to enable the Lessor to satisfy its obligations to pay or prepay the CSA Indebtedness and interest thereon, regardless of any limitation of liability set forth in the CSA, and (y) to enable the Owner to satisfy the profit and positive cash flow requirements set forth in Section 4(6) of Rev. Proc. 75-21, 1975-1 Cum. Bull. 715, as such requirements may be modified or adjusted as of the applicable rental payment date. The Owner shall furnish the Lessee and the Vendor prior to the effective date of any such adjustment with a notice setting forth in reasonable detail the computations and methods used in computing such adjustment.

In addition to the foregoing rentals, the Lessee agrees to pay to the Lessor as additional rentals amounts which, after deduction of any taxes payable in respect of such amounts will be equal to the amounts required by the Lessor to make the payments provided for (a) in the third from last sentence of the third paragraph of Paragraph 2 of the Participation Agreement, (b) in Paragraph 10 of the Participation Agreement to the extent that the remaining

cash and proceeds of the Investments (as defined therein) available to the Lessor as specified in said paragraph are insufficient to enable the Lessor to make such payment, and (c) the first sentence of Paragraph 13 of the Participation Agreement, in each case on the dates the Lessor is required to make such payments (without regard to any limitation of the obligation of the Lessor set forth therein) and the Lessor agrees to apply such rentals for such purposes.

If any of the Rental Payment Dates referred to above is not a business day the rental payment otherwise payable on such date shall be payable on the next preceding business day. The term "business day" as used herein means a calendar day, excluding Saturdays, Sundays and any other day on which banking institutions in Chicago, Illinois, New York, New York, Boston, Massachusetts, or Hartford, Connecticut are authorized or obligated to remain closed.

The Lessor irrevocably instructs the Lessee to make all the payments provided for in this Lease, including, but not limited to, the payments provided for in this § 3 and in § 7 hereof, but excluding all payments not assigned to the Vendor pursuant to the Lease Assignment, at the principal office of the Vendor, for the account of the Lessor in care of the Vendor, with instructions to the Vendor first, to apply such payments to satisfy the obligations of the Lessor under the CSA, and second, so long as no event of default or event which with the lapse of time and/or demand provided for in the CSA could constitute an event of default under the CSA shall have occurred and be continuing, to pay any balance promptly to the Lessor at such place as the Lessor shall specify in writing. The Lessee agrees to make each payment provided for herein as contemplated by this paragraph in Federal or other funds immediately available to the Vendor by 10:00 a.m., Chicago time, on the date such payment is due.

§ 4. Term of Lease. The term of this Lease as to each Unit shall begin on the date of delivery and acceptance of such Unit hereunder and, subject to the provisions of §§ 7, 10 and 13 hereof, shall terminate on a date three months after the date on which the final payment of rent in respect thereof is due pursuant to § 3 hereof. The obligations of the Lessee hereunder (including, but not limited to, the obligations under §§ 3, 6, 7, 9, 14 and 16 hereof) shall survive the expiration or termination of the term of this Lease and the full payment of all amounts payable under this Lease.

Notwithstanding anything to the contrary contained herein, all rights and obligations of the Lessee under this Lease and in and to the Units are subject to the rights of the Vendor under the CSA. If an event of default should occur under the CSA, the Vendor may terminate this Lease (or rescind its termination), all as provided therein; provided, however, that, so long as (i) no Event of Default exists hereunder, (ii) the Lessee is complying with the provisions of the Consent and (iii) the Vendor is entitled to apply the Payments (as defined in the Lease Assignment) in accordance with the Lease Assignment, this Lease may not be terminated and the Lessee shall be entitled to the rights of possession, use and assignment provided under § 12 hereof.

§ 5. Identification Marks. The Lessee will cause each Unit to be kept numbered with the identification number set forth in Schedule A hereto, and will keep and maintain plainly, distinctly, permanently and conspicuously marked on each side of each Unit, in letters not less than one inch in height, the words "Ownership Subject to a Security Agreement Filed with the Interstate Commerce Commission", with appropriate changes thereof as from time to time may be required by law, in the opinion of the Vendor and the Lessor, in order to protect the Lessor's and the Vendor's title to and interest in such Unit and the rights of the Lessor under this Lease and the rights of the Vendor under the CSA. The Lessee will not place any such Unit in operation or exercise any control or dominion over the same until such words shall have been so marked and will replace promptly any such markings which may be removed, defaced, obliterated or destroyed. The Lessee will not change the identification number of any Unit unless and until (i) a statement of new number or numbers to be substituted therefor shall have been filed with the Vendor and the Lessor and duly filed and deposited by the Lessee in all public offices where this Lease and the CSA shall have been filed and deposited and (ii) the Lessee shall have furnished the Vendor and the Lessor an opinion of counsel to the effect that such statement has been so filed and deposited, that such filing and deposit will protect the Vendor's and the Lessor's rights in such Units and that no other filing, deposit or giving of notice with or to any Federal, state or local government or agency thereof is necessary to protect the rights of the Vendor and the Lessor in such Units.

Except as provided in the immediately preceding paragraph, the Lessee will not allow the name of any person, association or corporation to be placed on any Unit as a

designation that might be interpreted as a claim of ownership; provided, however, that the Units may be lettered with the names or initials or other insignia customarily used by the Lessee or its affiliates.

§ 6. Taxes. The Lessee assumes responsibility for, and agrees to pay, hold harmless and indemnify on an after-tax basis the Lessor (both in its individual and fiduciary capacity), the Vendor and the Owner and its successors and assigns (the "Indemnified Persons") against, all taxes, fees, withholdings, levies, imposts, duties, assessments, charges, license and registration fees and other governmental charges of any nature whatsoever, including, without limitation, penalties, fines, additions to tax and interest thereon (all such taxes, fees, withholdings, levies, imposts, duties, assessments, charges, license and registration fees, other governmental charges, penalties, fines, additions to tax and interest being hereinafter called "Taxes"), imposed on, incurred by or asserted against any Indemnified Person or the Units or any thereof on account of, or with respect to, any of the Documents (as defined in the Participation Agreement) or any document referred to herein or therein or any of the transactions contemplated hereby or thereby or the manufacture, purchase, acquisition, acceptance or rejection of the Units or any thereof or the ownership, delivery, nondelivery, leasing, re-leasing, subleasing, possession, use, operation, maintenance, repair, condition, sale, return, abandonment or other application or disposition of the Units or any thereof or any indebtedness with respect thereto or the rentals, receipts, earnings or gains arising therefrom; provided, however, that there shall be no indemnification hereunder for (i) any Taxes imposed on or measured by any fees or compensation received by the persons who are the Lessor or the Vendor, and (ii) Federal income Taxes and income or franchise Taxes imposed on the Owner or an Investor or their successors and assigns by the respective entity's state of incorporation or state where its principal place of business is located, except to the extent that indemnification is provided for in § 16 hereof. The Lessee shall pay all Taxes for which it assumes liability hereunder when such Taxes are due and will pay or reimburse each Indemnified Person to the extent required by this § 6 within ten days after receipt of a written request by such Indemnified Person for indemnification specifying the amount to be paid, the basis on which such amount was determined and the nature of the Taxes in question; provided, however, that if any Taxes

are being contested in accordance with § 16(c) hereof, any payment shall be made at the time therein provided. The Lessee will keep at all times all and every part of the Units free and clear of all Taxes (other than those which are covered by the obligations of the Lessor set forth in the proviso to the last paragraph of Article 12 of the CSA) which might in any way affect the title or interests of the Vendor in, or result in a lien upon, any Unit.

In the event that the Lessor shall become obligated to make any payment to the Builder or the Vendor or otherwise pursuant to any corresponding provision of the CSA (other than the proviso to the third paragraph of Article 12 thereof) not covered by the foregoing paragraph of this § 6, the Lessee shall pay such additional amounts (which shall also be deemed Taxes hereunder) to the Lessor as will enable the Lessor to fulfill completely its obligations pursuant to said provision.

In the event any returns, statements or reports with respect to Taxes are required to be made, the Lessee will make such returns, statements and reports in such manner as to show the interest of the Lessor and the Vendor in the Units; provided, however, that the Lessor shall, with respect to any state or political subdivision thereof of the United States of America, file such returns, statements, and reports relating to sales or use taxes, and taxes, fees, and charges on or measured by the Lessor's earnings or gross receipts arising from the Units, or the value added by the Lessor thereto, as the Lessee shall determine are required to be filed, and as shall be prepared by the Lessee, and the Lessor shall remit the amount thereof upon payment by the Lessee to the Lessor (such payment to be made forthwith upon demand by the Lessor therefor) of such taxes, fees and charges except as provided above. All costs and expenses (including legal and accounting fees) of preparing such returns, statements and reports shall be borne by the Lessee. To the extent that the Lessor has information necessary to the preparation of such returns, statements and reports, it will furnish such information to the Lessee.

To the extent that the Lessee may be prohibited by law from performing in its own name the duties required by this § 6, the Lessor hereby authorizes the Lessee to act in its name and on its behalf; provided, however, that the Lessee shall indemnify and hold the Lessor (in both its individual and fiduciary capacities) and the Owner harmless from and against any and all claims, costs, expenses, damages, losses and liabilities incurred in connection therewith as a

result of, or incident to, any action by the Lessee pursuant to this authorization.

The Lessee shall, whenever reasonably requested by the Lessor, submit to the Lessor copies of returns, statements, reports, billings and remittances, or furnish other evidence satisfactory to the Lessor, of the Lessee's performance of its duties under this § 6. The Lessee shall also furnish promptly upon request such data as the Lessor reasonably may require to permit the Lessor's compliance with the requirements of taxing jurisdictions, including, but not limited to, information relating to the use of any Units outside of the United States.

The Lessee agrees to pay all amounts due under this § 6 free of any Taxes and to indemnify each Indemnified Person against any Taxes imposed by reason of any payment made by the Lessee so that the Indemnified Person to whom or for whose benefit the payment is made shall receive an amount which, net of any Taxes or other charges required to be paid by such Indemnified Person in respect thereof, shall be equal to the amount of payment otherwise required hereunder. Without limiting the foregoing, the amount which the Lessee shall be required to pay with respect to any Taxes subject to indemnification under this § 6 shall be an amount sufficient so that, after considering the tax and other effects of the Taxes in question and the receipt of indemnification payments hereunder, the Indemnified Person will have the same anticipated after-tax rate of return on equity and periodic recovery of net cash flow as such Indemnified Person would have realized had such Taxes not been incurred or imposed.

In the event that, during the continuance of this Lease, the Lessee becomes liable for the payment or reimbursement of any Taxes pursuant to this § 6, such liability shall continue, notwithstanding the expiration of this Lease, until all such Taxes are paid or reimbursed by the Lessee.

The foregoing indemnities by the Lessee shall not constitute a guarantee by the Lessee or any subsidiary or affiliated corporation of the Lessee of the payment of any installments of principal or interest payable under the CSA, or a guarantee of any residual value of the Units following the expiration of the term hereof as such term may or may not be renewed.

This § 6 may be enforced by the Lessor as provided in Paragraph 18 of the Participation Agreement.

§ 7. Maintenance; Casualty Occurrences; Insurance.

The Lessee at its own expense will maintain and service each Unit and comply with a preventive maintenance schedule, if any, consistent with the Builder's preventive maintenance schedules and which will include testing, repair and overhaul of each Unit so that each Unit will remain (a) in as good operating condition as when delivered (ordinary wear and tear excepted), (b) in compliance with any and all applicable laws and regulations and eligible for railroad interchange in accordance with the rules of the American Association of Railroads, and (c) desirable to and suitable for immediate purchase or lease and use by a Class I line-haul railroad (not then or prospectively a debtor in any insolvency or reorganization proceedings) in the event of resale or re-lease upon an Event of Default hereunder. In no event shall any Unit be maintained or scheduled for maintenance on a basis less frequent than the maintenance or maintenance scheduling basis employed as of the date hereof by the Lessee for similar equipment.

In the event that any Unit shall be or become worn out, lost, stolen, destroyed or irreparably damaged, from any cause whatsoever, permanently returned to the Builder pursuant to any patent indemnity provision of the CSA, or taken or requisitioned by condemnation or otherwise by the United States Government for a stated period which shall exceed the then remaining term of this Lease or for an indefinite period, but only when such period shall exceed the term hereof (or, if such taking, requisition or condemnation shall occur during a renewal term, for a stated period which shall exceed the then remaining renewal term or for an indefinite period, but only when such period shall exceed such renewal term), or by any other government or governmental entity resulting in loss of possession by the Lessee for a period of 90 consecutive days (such occurrences being hereinafter called "Casualty Occurrences"), prior to the return of such Unit in the manner set forth in § 14 hereof, the Lessee shall promptly (but in any event within 30 days after such Casualty Occurrence) and fully notify the Lessor, the Owner and the Vendor with respect thereto. On the Rental Payment Date next succeeding such notice the Lessee shall pay to the Lessor an amount equal to the rental payment or payments in respect of such Unit then due and payable plus a sum equal to the Casualty Value (as hereinafter defined) of such Unit as of

such Rental Payment Date in accordance with Schedule B hereto. Upon the making of such payment by the Lessee in respect of any Unit, the rental for such Unit shall cease to accrue, the term of this Lease as to such Unit shall terminate and (except in the case of the loss, theft, complete destruction or permanent return to the Builder of such Unit) the Lessor shall be entitled to recover possession of such Unit. The Lessor hereby appoints the Lessee its agent to dispose of any Unit suffering a Casualty Occurrence or any component thereof, at the best price obtainable on an "as is, where is" basis and the Lessee shall notify the Lessor and the Owner prior to any such sale. Provided that the Lessee has previously paid the Casualty Value to the Lessor and provided no Event of Default (or other event which after notice or lapse of time or both would become an Event of Default) shall have occurred and be continuing the Lessee shall be entitled to the net proceeds of such sale to the extent they do not exceed the Casualty Value of such Unit, and shall pay any excess to the Lessor. The Lessee shall be entitled to credit against the Casualty Value payable in respect of any Unit permanently returned to the Builder pursuant to any patent indemnity provision of the CSA an amount equal to any net patent indemnity payment in respect of such Unit made by the Builder to the Vendor under the CSA. The Lessee will pay all costs and expenses in connection with the sale of any Unit pursuant to a Casualty Occurrence.

The Casualty Value of each Unit as of any Rental Payment Date shall be that percentage of the Vendee's Purchase Price of such Unit as is set forth in Schedule B hereto opposite such date.

Whenever any Unit shall suffer a Casualty Occurrence after the final payment of rent in respect thereof is due pursuant to § 3 hereof and before (a) such Unit shall have been returned in the manner provided in § 14 hereof, and (b) the storage period therein provided with respect to such Unit shall have expired, the Lessee shall promptly (as provided above) and fully notify the Lessor with respect thereto and pay to the Lessor an amount equal to the Casualty Value of such Unit, which shall, except as otherwise provided in § 13 hereof, be an amount equal to 28.2650% of the Vendee's Purchase Price of such Unit. Upon the making of any such payment by the Lessee in respect of any Unit (except in the case of the loss, theft or complete destruction of such Unit or return to the Builder of such Unit), the Lessor shall

be entitled to recover possession of such Unit. The Lessor hereby appoints the Lessee its agent to dispose of any Unit suffering a Casualty Occurrence, or any component thereof, at the best price obtainable on an "as is, where is" basis and the Lessee shall notify the Lessor and the Owner prior to any such sale. Provided that the Lessee has previously paid the Casualty Value to the Lessor and provided no Event of Default (or other event which after notice or lapse of time or both would become an Event of Default) shall have occurred and be continuing, the Lessee shall be entitled to the proceeds of such sale to the extent they do not exceed the Casualty Value of such Unit, and shall pay any excess to the Lessor.

In the event of the requisition (other than a requisition which constitutes a Casualty Occurrence) for use by the United States Government or by any other government or governmental entity (hereinafter collectively called the "Government") of any Unit during the term of this Lease or any renewal thereof, all of the Lessee's obligations (including, without limitation, the obligation to pay rent) under this Lease with respect to such Unit shall continue to the same extent as if such requisition had not occurred, except that if such Unit is returned by the Government at any time after the end of the term of this Lease or any renewal thereof, the Lessee shall be obligated to return such Unit to the Lessor pursuant to § 11 or 14 hereof, as the case may be, promptly upon such return by the Government rather than at the end of the term of this Lease or any renewal thereof, but the Lessee shall in all other respects comply with the provisions of said § 11 or 14, as the case may be, with respect to such Unit. All payments received by the Lessor or the Lessee from the Government for the use of such Unit during the term of this Lease or any renewal thereof shall be paid over to, or retained by, the Lessee, provided no Event of Default (or other event which after notice or lapse of time or both would become an Event of Default) shall have occurred and be continuing; and all payments received by the Lessor or the Lessee from the Government for the use of such Unit after the term of this Lease or any renewal thereof, shall be paid over to, or retained by, the Lessor.

Except as hereinabove in this § 7 provided, the Lessee shall not be released from its obligations hereunder in the event of, and shall bear the risk of, any Casualty Occurrence to any Unit from and after delivery and acceptance thereof by the Lessee hereunder.

The Lessee will, at all times prior to the return of the Units to the Lessor (including during storage periods), at its own expense, cause to be carried and maintained casualty insurance and public liability insurance in respect of the Units at the time subject hereto, against such risks, in such amounts and on such terms and conditions as are satisfactory to the Lessor and the Vendor, and, in any event, not less comprehensive in amounts and against risks customarily insured against by the Lessee in respect of similar equipment owned or leased by it, but in no event shall such coverage be for amounts or against risks less than the prudent industry standard for major Class I line-haul railroads; provided, however, that, with respect to such insurance, the foregoing provisions of this sentence shall be deemed to have been satisfied if, to the extent that the Lessee is unable to obtain insurance meeting the requirements of this paragraph, the Lessor obtains and maintains, for the duration of such inability on the part of the Lessee, insurance meeting the requirements of this paragraph; provided, further, that the Lessor shall have no obligation to obtain or maintain any such insurance. If the Casualty Value of all the Units at any given time is less than what the deductible would be under the foregoing standard, then no casualty insurance need be carried. All policies with respect to such insurance shall name the Lessor (both in its individual and fiduciary capacity), the Owner and the Vendor as additional named insureds or loss payees, as their interests may appear, shall provide for at least 30 days' prior written notice by the insurance carrier to the Lessor, the Owner and the Vendor in the event of cancelation, expiration or amendment (and the Lessee shall provide 30 days' prior written notice to the Lessor, the Owner, and the Vendor in any such event), shall include waivers by the insurer of all claims for premiums against the Lessor, the Owner and the Vendor and shall provide that losses are payable notwithstanding, among other things, any act of negligence of the Lessee, the Lessor, the Owner or the Vendor, more hazardous use or occupation of the Units than that permitted by such policies, any breach or violation by the Lessee, the Lessor, the Owner or the Vendor of any warranty, declaration, condition or other provision contained in any such policy, or foreclosure, notice of sale or any other proceeding in respect of the Units, or any change in the title to or ownership of any of the Units. Each such insurance policy shall expressly provide that all the provisions thereof except the limits of liability (which shall be applicable to all insureds as a group) and liability

for premiums (which shall be solely a liability of the Lessee) shall operate in the same manner as if they were a separate policy covering each insured and shall be primary without right of contribution from any insurance carried by the Lessor, the Owner or the Vendor. The Lessee shall, not later than June 15 of each year, commencing June 15, 1980, furnish to the Lessor and the Vendor a certificate of an independent insurance broker acceptable to the Lessor and the Vendor evidencing the maintenance of the insurance required hereunder and shall furnish certificates evidencing renewal 15 days prior to the expiration date of such policy or policies. If the Lessor shall receive any insurance proceeds or condemnation payments in respect of a Unit suffering a Casualty Occurrence, the Lessor shall, subject to the Lessee's having made payment of the Casualty Value in respect of such Unit and provided no Event of Default (or other event which after notice or lapse of time or both would become an Event of Default) shall have occurred and be continuing, pay such proceeds or condemnation payments to the Lessee up to an amount equal to the Casualty Value with respect to a Unit paid by the Lessee and any balance of such proceeds or condemnation payments shall remain the property of the Lessor. All insurance proceeds received by the Lessor in respect of any Unit not suffering a Casualty Occurrence shall be paid to the Lessee upon proof satisfactory to the Lessor that any damage to such Unit in respect of which such proceeds were paid has been fully repaired so as to comply with the provisions of the first paragraph of this § 7, provided no Event of Default (or other event which after notice or lapse of time or both would become an Event of Default) shall have occurred and be continuing.

The Lessor and the Owner shall have the right to obtain at its own expense additional insurance against loss of or damage to the Units to protect its interests in such Units; provided, however, that such additional insurance shall not conflict with or otherwise adversely affect the insurance required to be carried pursuant to the preceding paragraph of this § 7, or reduce the amounts otherwise payable to or receivable thereunder by the Vendor as an additional named insured or loss payee.

§ 8. Reports. On or before April 30 in each year, commencing with the calendar year 1980, the Lessee will furnish to the Lessor, the Owner and the Vendor a certificate signed by the Chief Mechanical Officer of the Lessee or another qualified engineer satisfactory to the Lessor and the

Vendor, (a) setting forth as of the preceding December 31 the amount, description and numbers of all Units then leased hereunder and covered by the CSA, the amount, description and numbers of all Units that have suffered a Casualty Occurrence during the preceding calendar year or are then undergoing repairs (other than running repairs) or then withdrawn from use pending such repairs (other than running repairs) and such other information regarding the condition and state of repair of the Units as the Lessor or the Vendor may reasonably request (including a description and the cost of all additions, modifications or improvements made to the Units in the preceding year), (b) stating that, in the case of all Units repainted or repaired during the period covered by such statement, the numbers and markings required by § 5 hereof have been preserved or replaced, (c) setting forth the identification numbers of all Units which are then in the condition required by clauses (a), (b) and (c) of the first sentence of § 7 hereof and certifying that all such Units are in such condition, and (d) setting forth the identification numbers of all Units which are not in such condition. No later than 60 days after the delivery of such annual certificate, the Lessee will furnish the Lessor with a supplemental certificate of the Chief Mechanical Officer of the Lessee or other qualified engineer satisfactory to the Lessor and the Vendor setting forth the identification number of each Unit that was not certified in the preceding annual certificate as being in the condition required by clauses (a), (b) and (c) of the first sentence of § 7 hereof, and, as to each such Unit, (i) certifying that such Unit is in such condition as of the date of such supplemental certificate, or (ii) stating that such Unit is not in such condition. If such supplemental certificate shall not be delivered on or prior to the last date specified for such delivery in the preceding sentence (or within ten days after written notice of such failure to deliver by the Lessor to the Lessee ) or shall state that such Unit is not in the required condition, such Unit shall (upon written notice by the Lessor or the Vendor) be deemed to have suffered a Casualty Occurrence under § 7 hereof. The Lessor, at its sole expense, shall have the right by its agents to inspect the Units and the Lessee's records with respect thereto at such reasonable times as the Lessor may request during the continuance of this Lease but the Lessor shall have no obligation to do so.

The Lessee shall promptly notify the Lessor, the Owner and the Vendor of any occurrence of an Event of Default or other event which after notice or lapse of time or both

would become an Event of Default, specifying such Event of Default and all such events and the nature and status thereof.

§ 9. Disclaimer of Warranties; Compliance with Laws and Rules; Indemnification. THE LESSOR NEITHER MAKES, HAS MADE NOR SHALL BE DEEMED TO MAKE, ANY WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE DESIGN OR CONDITION OF, OR AS TO THE QUALITY OF THE MATERIAL, EQUIPMENT OR WORKMANSHIP IN, THE UNITS OR ANY COMPONENT DELIVERED TO THE LESSEE HEREUNDER, AND THE LESSOR MAKES NO WARRANTY OF MERCHANTABILITY OR FITNESS OF THE UNITS FOR ANY PARTICULAR PURPOSE OR AS TO TITLE TO THE UNITS OR ANY COMPONENT THEREOF, OR AS TO THE LESSEE'S RIGHT TO QUIET ENJOYMENT THEREOF (EXCEPT AS TO ACTS OF THE LESSOR), OR ANY OTHER REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO ANY UNIT OR ANY COMPONENT, EITHER UPON DELIVERY THEREOF TO THE LESSEE OR OTHERWISE, it being agreed that all such risks, as between the Lessor and the Lessee, are to be borne by the Lessee; but the Lessor hereby irrevocably appoints and constitutes the Lessee its agent and attorney-in-fact during the term of this Lease to assert and enforce from time to time, in the name of and for the account of the Lessor and/or the Lessee, as their interests may appear, at the Lessee's sole cost and expense, whatever claims and rights the Lessor may have against NAC or the Builder under the provisions of Items 3 and 4 of Annex A to the CSA; provided, however, that if at any time an Event of Default shall have occurred and be continuing, the Lessor may assert and enforce, at the Lessee's sole cost and expense, such claims and rights. The Lessor shall have no responsibility or liability to the Lessee or any other person with respect to any of the following: (i) any liability, loss or damage caused or alleged to be caused directly or indirectly by any Units or by any inadequacy thereof or deficiency or defect therein or by any other circumstances in connection therewith; (ii) the use, operation or performance of any Units or any risks relating thereto; (iii) any interruption of service, loss of business or anticipated profits or consequential damages; or (iv) the delivery, operation, subleasing, servicing, maintenance, repair, improvement or replacement of any Units. The Lessee's delivery of a Certificate of Inspection and Acceptance shall be conclusive evidence as between the Lessee and the Lessor that the Units described therein are in all the foregoing respects satisfactory to the Lessee, and the Lessee will not assert any claim of any nature whatsoever against the Lessor

based on any of the foregoing matters.

The Lessee agrees, for the benefit of the Lessor and the Vendor, at all times to comply in all respects (including, without limitation, with respect to the use, maintenance and operation of each Unit) with all applicable laws of the jurisdictions in which its operations involving the Units may extend, with the interchange rules of the Association of American Railroads, if applicable, and with all lawful rules of the United States Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Units, to the extent that such laws and rules affect the title, operation or use of the Units, and in the event that, prior to the expiration of this Lease or any renewal thereof, such laws or rules require any alteration, replacement, addition or modification of or to any part on any Unit, the Lessee will conform therewith at its own expense; provided, however, that the Lessee may at its own expense, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of the Lessor, the Owner or the Vendor, adversely affect the property or rights of the Lessor, the Owner or the Vendor under this Lease or under the CSA. The Lessee, at its own cost and expense, may from time to time make such other additions, modifications and improvements to the Units during the term of this Lease as are readily removable without causing material damage to the Units (and do not adversely and materially affect the value of the Units). The additions, modifications and improvements made by the Lessee under the preceding sentence shall be owned by the Lessee (or such other party as may have title thereto), except to the extent such additions, modifications or improvements are described in the following sentence. Any and all parts installed on and additions and replacements made to any Unit (i) which are not readily removable without causing material damage to such Unit and which, consequently, were installed or were added to such Unit in contravention of the provisions contained hereinabove, it being understood that nothing contained in this sentence shall be deemed to constitute a waiver by the Lessor of such breach on the part of the Lessee, or which are not removed by the Lessee prior to surrendering possession thereof pursuant to the provisions of § 11 or § 14 hereof, (ii) the cost of which is included in the Vendee's Purchase Price of such Unit, (iii) in the course of

ordinary maintenance of the Units or (iv) which are required for the operation or use of such Unit by the interchange rules of the Association of American Railroads or by the regulations of the Interstate Commerce Commission, the United States Department of Transportation or any other regulatory body, shall constitute accessions to such Unit and full ownership thereof free from any lien, charge, security interest or encumbrance (except for those created by the CSA) shall immediately be vested in the Lessor.

The Lessee shall pay, and shall protect, indemnify and hold the Lessor (both individually and in its fiduciary capacity), and, as third party beneficiaries hereof, the Owner and the Vendor, and their respective successors, assigns, agents and servants (hereinafter called "Indemnified Persons"), harmless from and against any and all losses, injuries, causes of action, suits, penalties, claims, demands or judgments, of any nature whatsoever which may be imposed on, incurred by or asserted against any Indemnified Person (including any or all liabilities, obligations, damages, costs, disbursements and expenses [including, without limitation, attorneys' fees and expenses of any Indemnified Person] relating thereto) in any way relating to or arising or alleged to arise out of this Lease or the Units, including, without limitation, those in any way relating to or arising or alleged to arise out of (i) the ordering, acquisition, manufacture, construction, purchase, acceptance, rejection, ownership, delivery, nondelivery, lease, possession, use, operation, condition, sale, storage, return or other disposition of any Unit or portion thereof; (ii) any latent or other defects whether or not discoverable by any Indemnified Person or the Lessee; (iii) any claim for patent, trademark or copyright infringement; (iv) any claims based on strict liability whether based upon tort or imposed by statute or any claims in which the negligence of an Indemnified Person, whether passive or active, is alleged; (v) any injury to or the death of any person or any damage to or loss of property on or near the Units or in any manner growing out of or concerned with, or alleged to grow out of or be connected with, the ownership, operation, condition, use, replacement, adaptation, maintenance, possession, storage or return of the Units or of any other equipment in connection with the Units (whether owned or under the control of the Lessor, the Lessee or any other person) or resulting or alleged to result from the condition of any thereof; (vi) any violation, or alleged violation, of any provision of this Lease (except by the

Lessor) or of any agreement, law, rule, regulation, ordinance or restriction, affecting or applicable to the Units or the leasing, ownership, use, replacement, adaptation or maintenance thereof; or (vii) any claim arising out of or as the result of the entering into or the performance of the Lease Assignment, the CSA or the Participation Agreement, including, without limitation, any claim arising out of any of the Lessor's obligations under the Lease Assignment, the CSA or the Participation Agreement, except to the extent such claim arises from an act or omission of the Lessor not related to the transactions contemplated by this Lease and the Participation Agreement. The Lessee shall be obligated under this § 9, irrespective of whether any Indemnified Person shall also be indemnified with respect to the same matter under any other agreement by any other person, and the Indemnified Person seeking to enforce the indemnification may proceed directly against the Lessee under this § 9 without first resorting to any such other rights of indemnification. In case any action, suit or proceeding is brought against any Indemnified Person in connection with any claim indemnified against hereunder, the Lessee may and, upon such Indemnified Person's request, will at the Lessee's expense resist and defend such action, suit or proceeding, or cause the same to be resisted or defended by counsel selected by the Lessee and approved by such Indemnified Person, as the case may be, and, in the event of any failure by the Lessee to so do, the Lessee shall pay all costs and expenses (including, without limitation, attorneys' fees and expenses) incurred by such Indemnified Person in connection with such action, suit or proceeding. In the event the Lessee is required to make any payment under this § 9, the Lessee shall pay such Indemnified Person an amount which, after deduction of all taxes required to be paid by such Indemnified Person in respect of the receipt thereof under the laws of the United States or of any political subdivision thereof (after giving credit for any savings in respect of any such taxes by reason of deductions, credits or allowances in respect of the payment of the expense indemnified against, and of any other such taxes as determined in the sole discretion of the Indemnified Person), shall be equal to the amount of such payment. The Lessee and the Lessor each agrees to give each other promptly upon obtaining knowledge thereof written notice of any claim or liability hereby indemnified against; provided, however, that the Lessor's failure to give such notice shall not adversely affect its rights of indemnification hereunder. Upon the payment in full of any indemnities as contained in this § 9

by the Lessee, and provided that no Event of Default (or other event which with lapse of time or notice or both would constitute an Event of Default) shall have occurred and be continuing, it shall be subrogated to any right of such Indemnified Person in respect of the matter against which indemnity has been given. Any payments received by such Indemnified Person from any person (except the Lessee) as a result of any matter with respect to which such Indemnified Person has been indemnified by the Lessee pursuant to this § 9 shall be paid over to the Lessee to the extent necessary to reimburse the Lessee for indemnification payments previously made in respect of such matter.

The Lessee further agrees to indemnify, protect and hold harmless the Lessor (both individually and in its fiduciary capacity) and the Vendor and the Owner, as third party beneficiaries hereof, from and against any and all liabilities, claims, costs, charges and expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against the Vendor, the Owner and the Lessor because of the use in or about the construction or operation of any of the Units of any article or material specified by the Lessee and not manufactured by the Builder or of any design, system, process, formula or combination specified by the Lessee and not developed or purported to be developed by the Builder which infringes or is claimed to infringe on any patent or other right. The Lessee will give notice to the Builder of any claim known to the Lessee from which liability may be charged against such Builder with respect to the foregoing.

The Lessee shall bear the responsibility and risk for, and shall not be released from its obligations hereunder in the event of, any damage to or the destruction or loss of any or all of the Units of equipment.

The Lessee agrees to prepare and deliver to the Lessor within a reasonable time prior to the required filing date (or, to the extent permissible, file on behalf of the Lessor) any and all reports (other than tax returns, except as otherwise provided in § 6 hereof) to be filed by the Lessor with any Federal, state or other regulatory authority by reason of the ownership by the Lessor or the Vendor of the Units, or the leasing thereof to the Lessee.

None of the indemnities in this § 9 shall be deemed to create any rights of subrogation, from or under any

Indemnified Person, in any insurer or third party against the Lessee or the Lessor therefor, whether because of any claim paid or defense provided for the benefit thereof or otherwise. The foregoing indemnities by the Lessee shall not constitute a guarantee by the Lessee of the payment of any installments of principal or interest payable under the CSA or a guarantee of the residual value of the Units.

§ 10. Default. If, during the continuance of this Lease, one or more of the following events (each such event being herein sometimes called an "Event of Default") shall occur:

(A) default shall be made in payment of any amount provided for in § 3, 7 or 13 hereof, and such default shall continue for five business days;

(B) the Lessee shall make or permit any unauthorized assignment or transfer of this Lease, or any interest herein, or of the right to possession of the Units, or any thereof, and the Lessee shall, for more than 30 days after demand in writing by the Lessor, fail to secure a reassignment or retransfer to the Lessee of such Lease, interest or right;

(C) default shall be made in the observance or performance of any other of the covenants, conditions and agreements on the part of the Lessee contained herein or in the Consent or in the Participation Agreement, and such default shall continue for 30 days after the earlier of (i) written notice from the Lessor or the Vendor to the Lessee specifying the default and demanding that the same be remedied and (ii) the date on which such default shall first become known to any officer of the Lessee;

(D) a petition for reorganization under Section 77 of the Bankruptcy Act (as now constituted or as hereafter amended, including any successor provision thereto), or under any other provision of Title 11 of the United States Code, shall be filed by or against the Lessee and, unless such petition shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under this Lease shall not

have been and shall not continue to have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees appointed (whether or not subject to ratification) in such proceedings in such manner that such obligations shall have the same status as expenses of administration and obligations incurred by such trustee or trustees, within 60 days after such petition shall have been filed, or by the trustee in such proceedings in accordance with the provisions of 11 U.S.C. § 1168, or any successor provision, as the same may hereafter be amended; or

(E) any other proceeding shall be commenced by or against the Lessee for any relief which includes, or might result in, any modification of the obligations of the Lessee hereunder, under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustments of the obligations of the Lessee hereunder), and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under this Lease shall not have been and shall not continue to have been duly assumed in writing by the trustee in such proceedings in accordance with the provisions of 11 U.S.C. § 1168 or any successor provision, as the same may hereafter be amended, or pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed (whether or not subject to ratification) for the Lessee, or for the property of the Lessee, in connection with any such proceedings in such manner that such obligations shall have the same status as expenses of administration and obligations incurred by such trustee or trustees or receiver or receivers, within 60 days after such proceedings shall have been commenced;

then, in any such case, the Lessor, at its option, may:

(a) proceed by appropriate court action or actions either at law or in equity to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof including net

after-tax losses of Federal and state income tax benefits to which the Lessor would otherwise be entitled under this Lease; or

(b) by notice in writing to the Lessee terminate this Lease, whereupon all rights of the Lessee to the use of the Units shall absolutely cease and terminate as though this Lease had never been made, but the Lessee shall remain liable as herein provided; and thereupon the Lessor may by its agents, subject to compliance with all mandatory requirements of law, enter upon the premises of the Lessee or other premises where any of the Units may be and take possession of all or any such Units and thenceforth hold, possess, sell, operate, lease to others and enjoy the same free from any right of the Lessee, or its successors or assigns, to use the Units for any purposes whatever and without any duty to account to the Lessee for such action or inaction or for any proceeds arising therefrom; but the Lessor shall, nevertheless, have a right to recover from the Lessee any and all amounts which under the terms of this Lease may be then due or which may have accrued to the date of such termination (computing the rental for any number of days less than a full rental period by multiplying the rental for such full rental period by a fraction of which the numerator is such number of days and the denominator is the total number of days in such full rental period) and also to recover forthwith from the Lessee as damages for loss of the bargain and not as a penalty whichever of the following amounts the Lessor, in its sole discretion, shall specify:

(x) a sum, with respect to each Unit, equal to (A) the excess of the present value, at the time of such termination, of the entire unpaid balance of all rental for such Unit which would otherwise have accrued hereunder from the date of such termination to the end of the term of this Lease as to such Unit over the then present value of the rental which the Lessor reasonably estimates to be obtainable for the Unit during such period, such present value to be computed in each case on the basis of a 6% per annum discount, compounded quarterly from the respective dates upon which rentals would have been payable hereunder had this Lease not been terminated plus (B) an amount which, after deduction of all taxes required to be paid by the Lessor in respect of the receipt thereof under the laws of any Federal, state

or local government or taxing authority of the United States of America or under the laws of any taxing authority or governmental subdivision of a foreign country, shall, in the reasonable opinion of the Lessor, be equal to all or such portion of the investment credit, referred to in Section 16(a)(i) hereof, lost, not claimed, not available for claim, disallowed or recaptured by or from the Lessor as a direct or indirect result of the breach of one or more of the representations, warranties and covenants made by the Lessee in § 16 or any other provision of this Lease or the sale or other disposition of the Lessor's interest in any Unit after the occurrence of an Event of Default, plus such sum as shall cause the Lessor's net return under this Lease to be equal to the net return that would have been available to the Lessor if it had been entitled to utilization of all or such portion of the deductions with respect to depreciation and interest, referred to in §§ 16(a)(ii) and (iii), respectively, hereof which were lost, not claimed, not available for claim or disallowed or recaptured in respect of a Unit as a direct or indirect result of the breach of one or more of the representations, warranties and covenants made by the Lessee in § 16 or any other provision of this Lease, the inaccuracy of any statement in any letter or document furnished to the Lessor by the Lessee, the termination of this Lease, the Lessee's loss of the right to use such Unit, any action or inaction by the Lessee or the sale or other disposition of the Lessor's interest in such Unit after the occurrence of an Event of Default plus such sum as will pay or reimburse the Lessor for any interest, penalties or additions to tax incurred in connection with such loss, failure to claim, inability to claim, disallowance or recapture; or (y) an amount equal to the excess, if any, of the Casualty Value as of the Rental Payment Date on or next preceding the date of termination over the amount the Lessor reasonably estimates to be the sales value of such Unit at such time; provided, however, that in the event the Lessor shall have sold any Unit, the Lessor, in lieu of collecting any amounts payable to the Lessor by the Lessee pursuant to the preceding clauses (x) or (y) of this part (b) with respect to such Unit, may, if it shall so elect, demand that the Lessee pay the Lessor and the Lessee shall pay to the Lessor on the date of such sale, as liquidated damages for loss of a bargain and not as a

penalty, an amount equal to the excess, if any, of the Casualty Value for such Unit, as of the Rental Payment Date on or next preceding the date of termination, over the net proceeds of such sale.

In addition, the Lessee shall be liable, except as otherwise provided above, for any and all unpaid amounts due hereunder before, during or after the exercise of any of the foregoing remedies and for all reasonable attorneys' fees and other costs and expenses incurred by reason of the occurrence of any Event of Default or the exercise of the Lessor's remedies with respect thereto, including all costs and expenses incurred in connection with the return of any Unit.

The remedies in this Lease provided in favor of the Lessor shall not be deemed exclusive, but shall be cumulative and may be exercised concurrently or consecutively, and shall be in addition to all other remedies in its favor existing at law or in equity. The Lessee hereby waives any mandatory requirements of law, now or hereafter in effect, which might limit or modify the remedies herein provided, to the extent that such waiver is not, at the time in question, prohibited by law. The Lessee hereby waives any and all existing or future claims to any offset against the rental payments due hereunder, and agrees to make such payments regardless of any offset or claim which may be asserted by the Lessee or on its behalf. The Lessee hereby waives any and all claims against the Lessor and the Vendor and their agent or agents for damages of whatever nature in connection with any retaking of any Unit in any reasonable manner. The Lessor and the Lessee agree that the Lessor shall be entitled to all rights (such rights being fundamental to the willingness of the Lessor to enter into this Lease) provided for in § 77(j) of the Bankruptcy Act or in 11 U.S.C. § 1168 or any comparable provision of any amendment thereto, or of any other bankruptcy act, so that the Lessor shall have the right to take possession of the Equipment upon an Event of Default under this Lease regardless of whether the Lessee is in reorganization, subject to the provisions of 11 U.S.C. § 1168.

No failure by the Lessor to exercise, and no delay by the Lessor in exercising, any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege by the Lessor preclude any other or further exercise thereof, or the exercise of any other right, power or privilege.

If the Lessee fails to perform or comply with any agreement, covenant or condition contained in this Lease, and such nonperformance or noncompliance could, with the lapse of time and/or demand or failure to take action, result in an Event of Default under clause (A) or (C) of this § 10, the Lessor may, upon notice to the Lessee, itself perform or comply with such agreement, covenant or condition to the extent provided in Article 15(f) of the CSA, and the amount of the reasonable costs and expenses of the Lessor incurred in connection with such performance or compliance, together with interest on such amounts at the rate of 12.00% per annum, or such lesser amount as may be legally enforceable, shall be payable to the Lessor by the Lessee upon demand.

§ 11. Return of Units upon Default. If this Lease shall terminate pursuant to § 10 hereof, the Lessee shall forthwith deliver possession of the Units to the Lessor. Each Unit so delivered shall be in the condition required by clauses (a), (b) and (c) of the first sentence of § 7 hereof. For the purpose of delivering possession, the Lessee shall:

(a) forthwith and in the usual manner (including, but not by way of limitation, giving prompt telegraphic and written notice to the Association of American Railroads and all railroads to which any Unit or Units have been interchanged or which may have possession thereof to return the Unit or Units) place such Units upon such storage tracks of the Lessee or any of its affiliates as the Lessor reasonably may designate;

(b) permit the Lessor to store such Units on such tracks at the risk of the Lessee without charge for insurance (which shall conform to the provisions of § 7 hereof), rent or storage until such Units have been sold, leased or otherwise disposed of by the Lessor; and

(c) transport the same to any place on the lines of railroad operated by the Lessee or any of its affiliates or to any connecting carrier for shipment, all as directed by the Lessor.

The assembling, delivery, storage, insurance and transporting of the Units as hereinbefore provided shall be at the expense and risk of the Lessee and are of the essence of this Lease, and, upon application to any court of equity having jurisdiction, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. During any storage period, the Lessee will, at its own expense, maintain and keep the Equipment in the condition required by clauses (a), (b) and (c) of the first sentence of § 7 hereof and will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser, lessee or user of any such Unit, to inspect the same. All rent and per diem charges earned in respect of the Units after the date of termination of this Lease shall belong to the Lessor and, if received by the Lessee, shall be promptly turned over to the Lessor. In the event any Unit is not assembled, delivered and stored, as hereinabove provided, within 60 days after such termination, the Lessee shall, in addition, pay to the Lessor for each day after such termination an amount equal to the amount, if any, by which 1/90 of the next preceding rental payment applicable to such Unit exceeds the actual earnings received by the Lessor with respect to such Unit for each such day; such payment shall not affect the obligation of the Lessee to redeliver the Units in accordance with the first sentence of this § 11.

Without in any way limiting the foregoing obligations of the Lessee under this § 11, the Lessee hereby irrevocably appoints the Lessor as the agent and attorney of the Lessee, with full power and authority, at any time while the Lessee is obligated to deliver possession of any Unit to the Lessor, to demand and take possession of such Unit in the name and on behalf of the Lessee from whomsoever shall be in possession of such Unit at the time.

§ 12. Assignment; Possession and Use. This Lease shall be assignable in whole or in part by the Lessor without the consent of the Lessee, but the Lessee shall be under no obligation to any assignee of the Lessor except upon written notice of such assignment from the Lessor. All the rights of the Lessor hereunder shall inure to the benefit of the Lessor's successors and assigns.

So long as (i) no Event of Default exists hereunder, (ii) the Lessee is complying with the provisions of

the Consent and (iii) the Vendor is entitled to apply the Payments (as defined in the Lease Assignment) in accordance with the Lease Assignment, the Lessee shall be entitled to the possession and use of the Units in accordance with the terms of this Lease and, without the prior written consent of the Lessor and the Vendor, the Lessee may sublease (which sublease shall be subject to the rights and remedies of the Lessor and the Vendor hereunder) the Units to, or permit their use by, a user incorporated in the United States of America (or any State thereof or the District of Columbia), upon lines of railroad owned or operated by the Lessee or such user or by a railroad company or companies incorporated in the United States of America (or any State thereof or the District of Columbia), or over which the Lessee, such user, or such railroad company or companies have trackage rights or rights for operation of their trains, and upon the lines of railroad of connecting and other carriers in the usual interchange of traffic or in through or run-through service, but only upon and subject to all the terms and conditions of this Lease; provided, however, that the Vendor's and the Lessor's consent, not to be unreasonably withheld, must be obtained for any sublease that is either for an original term of longer than six months or for an original term that, taken together with all renewal terms provided for therein, would be longer than six months; provided, further, however, that the Lessee shall not sublease or permit the sublease or use of any Unit to service involving operation or maintenance outside the United States of America except that occasional service in Canada shall be permitted so long as such service in Canada does not involve regular operation and maintenance outside the United States of America; and provided, further, however, that any such sublease or use shall be consistent with the provisions of § 16 hereof. No such assignment or sublease shall relieve the Lessee of its obligations hereunder which shall be and remain those of a principal and not a surety.

The Lessee, at its own expense, will promptly pay or discharge any and all sums claimed by any party which, if unpaid, might become a lien, charge, security interest or other encumbrance (other than an encumbrance created by the Lessor, NAC, the Owner or the Vendor or resulting from claims against the Lessor, NAC, the Owner or the Vendor not related to the ownership of the Units) upon or with respect to any Unit or the interest of the Lessor, the Vendor or the Lessee therein, and will promptly discharge

any such lien, claim, security interest or other encumbrance which arises.

The Lessee agrees that at all times during the term of this Lease, the Units will be used in a manner so as to constitute rolling stock of a domestic railroad corporation subject to Part I of the Interstate Commerce Act (or any successor provision) within the meaning of Section 48(a)(2)(B)(ii) of the Code (as hereinafter defined). The Lessor agrees that it will not sublease the Units to, or permit their use by, any person in whose hands such Units would not qualify as "section 38 property" within the meaning of the Code.

§ 13. Right of Renewal; Right of Refusal. Provided that this Lease has not been earlier terminated and the Lessee is not in default hereunder, (i) the Lessee may, by written notice delivered to the Lessor not less than 180 days prior to the end of the original term of this Lease, elect to extend the term of this Lease in respect of all but not fewer than all the Units then covered hereby, for a period of four years (the "first extended term") commencing on the scheduled expiration of the original term of this Lease, and (ii) the Lessee, if it has elected as aforesaid, may also, by written notice delivered to the Lessor not less than 180 days prior to the end of the first extended term, elect to further extend the term of this Lease in respect of all but not fewer than all the Units then covered hereby for an additional period of six years (the "second extended term") commencing on the scheduled expiration of the first extended term.

Each such extended term of the Lease shall be on the same terms and conditions as are contained in the Lease, except (x) as to the amount of rentals, which shall be at a Fair Market Rental (as hereinafter defined) payable, in advance, in quarterly payments on the months and day on which such rentals were payable for the Units in each year of the original term and (y) that the Casualty Value of each Unit on the first day of each such extended term shall be equal to the greater of (a) the Fair Market Purchase Price (as hereinafter defined) of such Unit on such date, or (b) the present value as of such date, of all rentals payable during such extended term, discounted at a rate of 10% per annum, compounded quarterly, from the respective dates upon which such rentals are payable hereunder; and thereafter

such Casualty Value shall be reduced on a straight-line basis (computed on the basis of a 360-day year of 12 30-day months over the estimated remaining useful life of such Unit) for the remainder of such extended term, all as determined by the procedures hereinafter established.

The Fair Market Rental and Fair Market Purchase Price shall be determined on the basis of, and shall be equal in amount to, the cash rental (for a four- or six-year period, as the case may be), or the purchase price (as of such date as the context herein requires), as the case may be, which would obtain in an arm's-length transaction between an informed and willing lessee or purchaser, as the case may be, and an informed and willing lessor or seller, as the case may be, under no compulsion to lease or sell. In making such determination, costs of removal from the location of current use shall not be a deduction from such rental or purchase price and it shall be assumed that the Units have been collected in one place on the lines of the Lessee as directed by the Lessor. If, after 60 days from the giving of notice by the Lessee of the Lessee's election to extend the term of this Lease, as aforesaid, the Lessor and the Lessee are unable to agree upon a determination of the Fair Market Rental or Fair Market Purchase Price of the Units, such rental or purchase price shall be determined in accordance with the foregoing definition by the following procedure: If either party to such determination shall have given written notice to the other requesting determination of such rental or purchase price by this appraisal procedure, the parties shall consult for the purpose of appointing a qualified independent appraiser by mutual agreement. If no such appraiser is so appointed within 20 business days after such notice is given, each party shall appoint an independent appraiser within 25 business days after such notice is given, and the two appraisers so appointed shall within 35 business days after such notice is given appoint a third independent appraiser. If no such third appraiser is appointed within 35 business days after such notice is given, either party may request the American Arbitration Association to make such appointment, and both parties shall be bound by any appointment so made. Any appraiser or appraisers appointed pursuant to the foregoing procedure shall be instructed to determine the Fair Market Rental or the Fair Market Purchase Price, as the case may be, of the Units then subject to this Lease, within 70 days after his or their appointment. If the

parties shall have appointed a single appraiser or if either party shall have failed to appoint an appraiser, the determination of Fair Market Rental or Fair Market Purchase Price, as the case may be, of the single appraiser appointed shall be final. If three appraisers shall be appointed, the determination of the appraiser which differs most from that of the other two appraisers shall be excluded, the remaining two determinations shall be averaged and such latter average shall be final and binding upon the parties hereto as the Fair Market Rental or Fair Market Purchase Price, as the case may be. The appraisal proceedings shall be conducted in accordance with the Commercial Arbitration Rules of the American Arbitration Association as in effect on the date hereof, except as modified hereby. The provision for this appraisal procedure shall be the exclusive means of determining Fair Market Rental or Fair Market Purchase Price, as the case may be, and shall be in lieu of any judicial or other procedure for the determination thereof, and each party hereto hereby consents and agrees not to assert any judicial or other procedures. The Lessee shall bear all appraisal procedure expenses.

Provided that this Lease has not been earlier terminated and the Lessee is not in default hereunder, and provided further that the Lessee has not notified the Lessor of its intention to extend the term of this Lease as described in the first paragraph of this § 13 then in the event the Lessor elects to sell any Units to third parties at the expiration of the original or, if extended, any extended term of this Lease, the Lessee shall be given written notice of such intention to sell such Units prior to the expiration of such term. In the event that the Lessor shall receive, prior to removal of such Units from the tracks of the Lessee at the end of such original or extended term of the Lease (and prior to the commencement of the storage period, if any, with respect to such Units), a bona fide offer in writing from another party unrelated to the Lessee to purchase such Units and the Lessor elects to sell such Units pursuant to such offer at the expiration of such term of this Lease, the Lessor shall give written notice to the Lessee of such offer. Such notice shall include the price and the terms and conditions of payment offered by the other party to the Lessor. The Lessee shall have the right and option, exercisable as provided in the next succeeding sentence of this paragraph, to purchase such Units at the higher of (x) the Fair Market

Purchase Price, in cash, of such Units, or (y) the price at which such Units are proposed to be sold to the other party payable in accordance with the terms and conditions of payment offered by the other party. Within 10 business days of receipt of notice from the Lessor, the Lessee may exercise such purchase right by delivery to the Lessor of a written notice specifying a date of purchase, which date shall not be later than the later of (i) 15 days after the date of delivery of such notice by the Lessee to the Lessor, or (ii) 90 days after the expiration of such original or extended term of this Lease. In the event that the Lessee shall have delivered a notice of its election to purchase such Units, this Lease (including the obligation to pay rent) shall be further extended upon the same terms and conditions set forth herein from the date such notice is delivered to the Lessor until the date of such purchase.

Upon payment of the Fair Market Purchase Price of any Unit (or such other purchase price as is provided for herein), pursuant to an exercise by the Lessee of its right to purchase such Units, the Lessor shall, upon request of the Lessee, execute and deliver to the Lessee, or to the Lessee's assignee or nominee, a bill of sale (without warranties) for such Units such as will transfer to the Lessee such title to such Units as the Lessor derived from the Vendor, free and clear of all liens, security interests and other encumbrances arising through the Lessor. Notwithstanding the foregoing, if any Units so purchased are to be sold to the Lessee under a conditional sale agreement, the Lessor shall have the right to retain a security interest in such Units until such time as all payments in respect thereof have been made.

§ 14. Return of Units upon Expiration of Term.

As soon as practicable on or after the expiration of the original or any extended term of this Lease with respect to any Unit, the Lessee will, at its own cost and expense, at the request of the Lessor, deliver possession of such Unit to the Lessor upon such storage tracks of the Lessee as the Lessor may designate, or, in the absence of such designation, as the Lessee may select, and permit the Lessor to store such Unit on such tracks for a period not exceeding 180 days following notification to the Lessor by the Lessee that all the Units have been assembled and delivered for storage and transport the same, at any time within such 180-day period,

to any reasonable place on the lines of railroad operated by the Lessee, or to any connecting carrier for shipment, all as directed by the Lessor, the movement and storage of such Units to be at the expense and risk of the Lessee (which shall during such period maintain the insurance required by § 7 hereof); and in the event that any Unit shall suffer a Casualty Occurrence during such storage period, the Lessee shall pay the Lessor the Casualty Value thereof as provided in § 7 hereof. During any such storage period the Lessee will permit the Lessor or any person designated by it, including the authorized representatives of any prospective purchaser, lessee or user of such Unit, to inspect the same; provided, however, that the Lessee shall not be liable, except in the case of negligence or strict liability of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, on behalf of either the Lessor or any prospective purchaser, lessee or user, such rights of inspection. Each Unit returned to the Lessor pursuant to this § 14 shall be in the condition required by clauses (a), (b) and (c) of the first sentence of § 7 hereof. The assembling, delivery, storage and transporting of the Units as hereinbefore provided are of the essence of this Lease, and, upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance thereof. During any storage period, the Lessee will, at its own expense, maintain and keep the Units in the condition required by clauses (a), (b) and (c) of the first sentence of § 7 hereof. All rent and per diem charges earned in respect of the Units after the date of termination of this Lease shall belong to the Lessor and, if received by the Lessee, shall be promptly turned over to the Lessor. In the event any Unit is not assembled, delivered and stored, as hereinabove provided, within 60 days after such termination, the Lessee shall, in addition, pay to the Lessor for each day thereafter an amount equal to the amount, if any, by which (x) 1/90 of the next preceding rental payment applicable to such Unit exceeds (y) the actual earnings received by the Lessor with respect to such Unit for each such day; such payment shall not affect the obligation of the Lessee to redeliver the Units pursuant to this § 14.

§ 15. Recording. The Lessee, at its own expense, will cause this Lease, the CSA and any assignment hereof or thereof to be filed in accordance with 49 U.S.C. § 11303 and deposited with the Registrar General of Canada (and notice of such deposit to be given forthwith in The Canada Gazette) pursuant to Section 86 of the Railway Act of

Canada. The Lessee will undertake the filing, registering, deposit, and recording required of the Lessor under the CSA and will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, record (and will refile, reregister, deposit and redeposit or rerecord whenever required) any and all further instruments required by law or reasonably requested by the Lessor or the Vendor for the purpose of proper protection, to their satisfaction, of the Vendor's and the Lessor's respective rights in the Units, or for the purpose of carrying out the intention of this Lease, the CSA and the assignments hereof and thereof to the Vendor; and the Lessee will promptly furnish to the Vendor and the Lessor evidence of all such filing, registering, depositing, recording and other acts which may be required under this § 15, and an opinion or opinions of counsel for the Lessee with respect thereto satisfactory to the Vendor and the Lessor; provided, however, that no such opinion of counsel need be furnished in respect of the filing of the CSA or the assignment thereof in Canada. This Lease and the CSA, and the assignments thereof, shall be filed with the Interstate Commerce Commission and deposited with the Registrar General of Canada pursuant to Section 86 of the Railway Act of Canada and provision shall be made for publication of notice of such deposit in The Canada Gazette prior to the delivery and acceptance hereunder of any Unit.

§ 16. Tax Indemnities. (a) Loss of Assumed Tax Benefits. If:

(i) the Owner is not allowed for its calendar 1979 taxable year an investment credit under Section 38 and related sections of the Code with respect to any one or more of the Units of not less than 10% of the Vendee's Purchase Price with respect to such Unit or Units; or

(ii) the Owner is not allowed the benefit of current deductions for depreciation, commencing with the first day of the second half of its calendar 1979 taxable year, on any one or more of the Units under Section 167(a) of the Code (x) computed pursuant to any method of depreciation authorized by Section 167(b)(2) or (3) of the Code and pursuant to the asset depreciation range system of Section 167(m) of the Code and Section 1.167(a)-11 of the income tax regulations, (y) computed on the basis (A) of a net salvage value of zero, (B) that the basis of such Unit or Units under Section 167(g) of the Code is not less than the Vendee's Purchase Price with respect to such Unit or Units, and (C) that such Unit or Units have an asset

depreciation period of 12 years, and (z) determined on the basis of the "half-year convention" of Section 1.167(a)-11(c)(2)(iii) of the income tax regulations; or

(iii) the Owner is not allowed the benefit of current deductions under Section 163 of the Code for interest payable under the CSA; or

(iv) any investment credits or deductions for depreciation with respect to any one or more of the Units are recaptured in whole or in part pursuant to Section 47 or Section 1245 of the Code or any successor provision or provisions thereto; or

(v) any amount includible in the gross income of the Owner with respect to any one or more of the Units or any deduction allowable to the Owner with respect to such Unit or Units or with respect to any interest payable under the CSA shall be treated as derived from, or allocable to, sources outside the United States; or

(vi) any amount is included, at any time prior to the end of the term of this Lease (including any renewal terms), in the gross income of the Owner as a result of any repair, improvement, alteration, modification or addition (including replacement of parts) to such Unit or Units made by the Lessee (herein called a "Capital Expenditure");

(any such failure to allow, such recapture, such treatment of income or deductions as derived from or allocable to sources without the United States, or such inclusion in gross income as a result of a Capital Expenditure being herein called a "Loss"), then, subject to paragraph (b) of this § 16, the Lessee shall pay to the Owner as an indemnity the amount or amounts set forth in paragraph (d) of this § 16 at the time or times set forth therein.

(b) Indemnification and Exceptions. Except as hereinafter provided, the Lessee shall be required to indemnify the Owner with respect to any Loss that results from:

(i) a Loss described in clause (i) or (ii) of paragraph (a) of this § 16, if such Loss results from the use of a Unit by any person so as to preclude the "original use of such property" within the meaning of Section 48(b) or Section 167(c)(2) of the Code from commencing with the Owner;

(ii) the Lessee's use of a Unit or Units in such a manner as to result in a Loss described in clauses (i), (ii), (iv) or (v) of paragraph (a) of this § 16;

(iii) a Capital Expenditure;

(iv) the inability of the Owner to depreciate a Unit or Units to a net salvage value of zero; or

(v) any act, or failure to act, at any time, by the Lessee or any of its officers, employees or agents (including, without limitation, any act, or failure to act, in respect of the income tax returns of the Lessee insofar as they relate to the transaction contemplated by this Lease and related documents, it being understood that the Lessee will not take or fail to take any action that is inconsistent with the Owner being treated as the owner, and the Lessee being treated as the lessee, of the Units for Federal, state and local income tax purposes).

However, the Lessee shall not be required to indemnify the Owner with respect to any Loss that results solely and directly from:

(i) a Casualty Occurrence, if the Lessee has made all payments with respect thereto that are required to be made pursuant to § 7 hereof;

(ii) a voluntary disposition by the Owner of its beneficial interest in any Unit or Units, if such disposition (x) shall be the direct cause of such Loss with respect to such Unit or Units, (y) shall occur at a time while no Event of Default (and no event that, with the lapse of time or the giving of notice, or both, would constitute an Event of Default) has occurred and is continuing, and (z) shall not be pursuant to the written consent of the Lessee;

(iii) the failure of the Owner to claim in a timely and proper manner on its income tax returns for the appropriate years any credits or deductions contemplated by paragraph (a) of this § 16, unless the Owner shall have been advised by Messrs. Donovan Leisure Newton & Irvine, or other independent tax counsel selected by the Owner and approved by the Lessee (which approval shall not be unreasonably withheld), that there is no reasonable basis for claiming any such deduction or credit;

(iv) the failure of the Owner to have sufficient Federal income tax liability against which to apply such credits or sufficient income to benefit from such depreciation or interest deductions;

(v) the failure of the Owner to take timely action in contesting a claim made by the Internal Revenue Service, but only if such action is required by the terms of paragraph (c) of this § 16;

(vi) any amendment to, or change in, the Code, the income tax regulations thereunder or published administrative or judicial interpretations of the Code or such regulations, which change or amendment is not enacted and does not have an effective date on or prior to December 31, 1979; or

(vii) any act, or failure to act, at any time, by the Owner or any of its officers, employees or agents, which is inconsistent with the Owner's obligations under the Trust Agreement and the Participation Agreement, except at a time when an Event of Default (or an event that, with the lapse of time or the giving of notice, or both, would constitute an Event of Default) has occurred and is continuing.

(c) Proceedings. If at the conclusion of any audit the Owner receives a preliminary or "30 day" letter from the Internal Revenue Service proposing an adjustment in any item that, if agreed to by the Owner, would result in a Loss with respect to which the Lessee would be required to indemnify the Owner pursuant to this Section, the Owner shall promptly notify the Lessee of such proposed adjustment and shall furnish to the Lessee a statement describing such Loss in reasonable detail. If requested to do so by the Lessee, within 20 days after receipt of such statement, the Owner shall promptly request from Messrs. Donovan Leisure Newton & Irvine, or such other independent tax counsel as may be selected by the Owner and approved by the Lessee (which approval shall not be unreasonably withheld) (the "Special Tax Counsel"), their opinion as to whether there is a meritorious basis for contesting such proposed adjustment. If the opinion is to the effect that there is a meritorious

basis for contesting such proposed adjustment, the Owner shall contest such proposed adjustment beyond the level of the Internal Revenue Service auditing agent by such administrative proceedings, if any, as may be determined by the Owner in its sole discretion. Upon the conclusion of such administrative proceedings, if any, the Owner shall promptly notify the Lessee of the final adjustment proposed by the Internal Revenue Service and, if the Owner receives within 30 days after such notice a written request to do so from the Lessee, the Owner shall contest such final adjustment in a court of competent jurisdiction. If the Lessee requests the Owner to appeal the decision of such a court or of any intermediate appellate court, the Owner shall promptly request from Special Tax Counsel their opinion as to whether there is a meritorious basis for appealing such decision. If the opinion is to the effect that there is a meritorious basis for appealing such decision, the Owner shall appeal such decision. The Owner, in its sole discretion, shall determine the initial and any appellate court and shall determine whether the proceedings shall be for redetermination of the deficiency proposed to be assessed by the Internal Revenue Service or for refund of taxes paid based on such deficiency. The Owner shall not be required to take any action as set forth in this paragraph (c) unless and until the Lessee shall have agreed to indemnify the Owner in a manner satisfactory to it for any Loss that results from an adverse determination with respect to the proposed adjustment and shall have agreed to pay to the Owner on demand all reasonable out-of-pocket costs and expenses, including, without limitation, attorneys' fees and expenses incurred by it in connection with the taking of such action. If the Owner elects to pay taxes based on a proposed deficiency and sue for a refund thereof, and if the proposed deficiency would be a Loss with respect to which the Lessee would be required to indemnify the Owner, then the Lessee shall pay to the Owner on demand the amount of such taxes and interest thereon which the Owner shall have paid, and if the Owner subsequently receives a refund of all or any part of such taxes and interest, it shall promptly pay to the Lessee the amount of such refunded taxes and interest plus the amount of any interest received by the Owner from the United States Government with respect to such refunded taxes and interest. Notwithstanding anything to the contrary contained in this paragraph (c), the Owner may at any time, whether before or after commencing to take any action with respect to a proposed adjustment, decline to take any further action with respect thereto, provided that, if the Lessee has

properly requested such action pursuant to this paragraph (c), the Owner notifies the Lessee that it waives its right to any indemnity with respect to any Loss that will result from acceptance of such proposed adjustment.

(d) Amount and Time of Payment of Indemnity. The amount of indemnity payable by the Lessee pursuant to this § 16 with respect to a Loss shall be such amount as will result, in the Owner's reasonable judgment, in preserving for the Owner both the after-tax rate of return and the after-tax cash flow that would have been realized by the Owner if such Loss had not occurred, (i) based on the rates of Federal, state and local taxes on, based on, or measured by, net income in effect from time to time, and (ii) in all other respects based on the assumptions and methods of calculation utilized by the Owner in originally evaluating the transaction described in this Lease and related documents. The amount of such payment of indemnity shall reflect (A) the amount of interest, additions to tax and penalties payable by the Owner with respect to such Loss, but in the case of penalties, only if they are attributable to any act or failure to act at any time by the Lessee or any of its officers, employees or agents (including, without limitation, any act or failure to act in respect of the income tax returns of the Lessee), (B) the amount of Federal, state and local taxes on, or measured by, net income (at the rates in effect from time to time), interest, additions to tax and penalties incurred by the Owner as a result of the receipt of such indemnity payment, but in the case of penalties, only if they are attributable to any act or failure to act at any time by the Lessee or any of its officers, employees or agents (including, without limitation, any act or failure to act in respect of the income tax returns of the Lessee) and (C) any amount paid by the Lessee to the Owner pursuant to the next-to-last sentence of paragraph (c) of this Section which is not repaid by the Owner to the Lessee pursuant to such sentence. The Owner shall furnish the Lessee with a notice setting forth in reasonable detail the computations and methods used in computing such amount of indemnity.

In determining the amount of indemnity payable by the Lessee pursuant to this § 16 with respect to a Loss which results from a Capital Expenditure, there shall be taken into account any investment credits and depreciation deductions to which the Owner is or expects to be entitled

with respect to such Capital Expenditure in the year in which the Capital Expenditure is made and in subsequent years, but if any such investment credits or depreciation deductions are subsequently disallowed, recaptured or treated as derived from or allocable to sources outside the United States, such disallowance, recapture or allocation shall be treated as a Loss described in clause (i), (ii), (iv) or (v) of paragraph (a) of this § 16, as the case may be.

The Lessee's obligation to pay any indemnity payable pursuant to this § 16 with respect to a Loss shall become unconditional (1) in the case of a Loss that is required to be reflected on a tax return of the Owner, 30 days after the date such tax return is filed; (2) in the case of a Loss that results from a proposed adjustment of the Internal Revenue Service that is not contested pursuant to paragraph (c) of this § 16, 30 days after the Lessee's receipt of the statement referred to in the first sentence of paragraph (c) of this § 16; and (3) in the case of a Loss that results from a proposed adjustment of the Internal Revenue Service that is contested pursuant to paragraph (c) of this § 16, 30 days after the day on which such contest is finally concluded.

The Lessee shall pay to the Owner a lump-sum indemnity at the time its obligation to pay indemnity pursuant to this § 16 with respect to a Loss becomes unconditional.

(e) Adjustment of Casualty Values. In the event that the Lessee shall be required to indemnify the Owner pursuant to this § 16 with respect to a Loss relating to a Unit or Units, the Casualty Value of such Unit or Units shall be appropriately reduced to reflect the reduction, if any, in taxes that will be payable by the Owner with respect to such Unit or Units upon a Casualty Occurrence with respect thereto; provided, however, that such Casualty Values shall not be reduced below the amounts required to satisfy the obligations of the Lessor under the CSA.

(f) Definition of Owner. For purposes of this § 16, the term "Owner" shall include any affiliated group, within the meaning of Section 1504 of the Code, of which the Owner is a member, if consolidated returns are filed for such affiliated group for Federal income tax purposes.

(g) Payments of Indemnity. All payments of indemnity made pursuant to this § 16 shall be made by the Lessee directly to the Owner by transfer of immediately available funds to the account of the Owner specified in Section 2.01(c) of the Trust Agreement or to such other account or in such other manner as Owner from time to time shall have identified in written instructions given to the Lessee.

§ 17. Interest on Overdue Rentals. Anything to the contrary herein contained notwithstanding, any nonpayment of rentals and other obligations due hereunder shall result in the obligation on the part of the Lessee promptly to pay, to the extent legally enforceable, an amount on the overdue rentals and other obligations for the period of time during which they are overdue at a rate of 12.00% per annum, or such lesser amount as may be legally enforceable. Interest hereunder shall be determined on the basis of a 360-day year for the actual number of days elapsed.

§ 18. Notices. Any notice required or permitted to be given by either party hereto to the other shall be deemed to have been given when mailed, first class, postage prepaid, addressed as follows:

(a) if to the Lessor, at One Constitution Plaza, Hartford, Connecticut 06115, Attention of Corporate Trust Department; and

(b) if to the Lessee, at 1310 Six Penn Center Plaza, Philadelphia, Pennsylvania 19104, Attention of Vice President & Treasurer;

or addressed to either party at such other address as such party shall hereafter furnish to the other party in writing. Copies of each such notice shall be given to the Vendor at 135 South LaSalle Street, Chicago, Illinois 60690, Attention of Corporate Trust Department, and to the Owner, at 2700 Sanders Road, Prospect Heights, Illinois 60070, Attention of Carl W. Giessel, Vice President, and NAC, at 222 South Riverside Plaza, Chicago, Illinois 60606, Attention of Vice President-Law.

§ 19. Severability; Effect and Modification of Lease. Any provision of this Lease which is prohibited or unenforceable in any jurisdiction shall be, as to such

jurisdiction, ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Except for the Participation Agreement and the exhibits thereto, this Lease exclusively and completely states the rights of the Lessor and the Lessee with respect to the leasing of the Units and supersedes all other agreements, oral or written, with respect thereto. No variation or modification of this Lease and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized signatories for the Lessor and the Lessee.

§ 20. Immunities. Anything herein to the contrary notwithstanding, each and all of the representations, warranties, undertakings and agreements herein made on the part of the Lessor are made and intended not as personal representations, warranties, undertakings and agreements by The Connecticut Bank and Trust Company for the purpose or with the intention of binding it personally but are made and intended for the purpose of binding only the Trust Estate as such term is used in the Trust Agreement, and this Lease is executed and delivered by the said bank not in its own right but solely in the exercise of the powers expressly conferred upon it as trustee under the Trust Agreement; and except in the case of wilful misconduct or gross negligence by said bank, no personal liability or personal responsibility is assumed hereunder by or shall at any time be enforceable against the said bank or the Owner on account of any representation, warranty, undertaking or agreement hereunder of the Lessor or the Owner, either expressed or implied, all such personal liability (except as aforesaid), if any, being expressly waived by the Lessee and by all persons claiming by, through or under the Lessee; provided, however, that the Lessee or any person claiming by, through or under it, making claim hereunder, may look to said Trust Estate for satisfaction of the same.

§ 21. Definitions. If and so long as this Lease is assigned to the Vendor (or any successor thereto) for collateral purposes, wherever the term "Lessor" is used in this Lease it shall include the Vendor and any successors thereto unless the context shall otherwise require and except

that the Vendor shall not be subject to any liabilities or obligations under this Lease; and the fact that the Vendor is specifically named in certain provisions shall not be construed to mean that the Vendor (and any successors thereto) is not entitled to the benefits of other provisions where only the Lessor is named.

§ 22. Execution. This Lease may be executed in several counterparts, such counterparts together constituting but one and the same instrument, but the counterpart delivered to the Vendor shall be deemed to be the original and all other counterparts shall be deemed duplicates thereof. Although for convenience this Lease is dated as of the date first set forth above, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

§ 23. Law Governing. The terms of this Lease and all rights and obligations hereunder shall be governed by the laws of the Commonwealth of Pennsylvania; provided, however, that the parties shall be entitled to all rights conferred by 49 U.S.C. § 11303 and such additional rights arising out of the filing or deposit hereof, if any, and of any assignment hereof as shall be conferred by the laws of the several jurisdictions in which this Lease or any assignment hereof shall be filed or deposited.

IN WITNESS WHEREOF, the parties hereto have executed or caused this instrument to be executed as of the date first above written.

## SCHEDULE B

Table 2

The percentages set forth in Table 1 of this Schedule B have been computed without regard to recapture of the investment tax credit (as referred to in Section 16 relating to certain tax indemnities). Consequently, the Casualty Value of any Unit suffering a Casualty Occurrence on or before the third, fifth or seventh anniversary of the date of delivery and acceptance of such Unit shall be increased by the applicable percentage of the Vendee's Purchase Price set forth below:

<u>Anniversary of Delivery and Acceptance</u>	<u>Percentage of Vendee's Purchase Price</u>
Third	19.4231%
Fifth	12.9487%
Seventh	6.4744%

SCHEDULE C

Certificate of Inspection and Acceptance

To: Greenville Steel Car Company,  
Greenville, Pennsylvania

The Connecticut Bank and Trust Company,  
acting as Trustee (the "Trustee") under  
Trust Agreement  
One Constitution Plaza  
Hartford, Connecticut

North American Car Corporation  
222 South Riverside Plaza  
Chicago, Illinois 60606

I, the duly authorized representative for the  
Trustee, Consolidated Rail Corporation (the "Lessee") and  
North American Car Corporation ("NAC") under the Conditional  
Sale Agreement and the Lease of Railroad Equipment, both  
dated as of July 15, 1979, do hereby certify that I inspected  
thereunder the following Units of Equipment:

TYPE OF EQUIPMENT:  
DATE ACCEPTED:  
NUMBER OF UNITS:  
LESSEE'S ROAD NUMBERS:

I do further certify that the foregoing Units are  
in good order and condition, and appear to conform to the  
specifications, requirements and standards applicable thereto  
as provided in Article 2 of the aforesaid Conditional Sale  
Agreement.

As the duly authorized representative for the  
Trustee and the Lessee I hereby certify that I accepted  
delivery of the foregoing Units.

I do further certify that each of the foregoing  
Units has been marked by means of a stencil printed in con-  
trasting colors upon each side of each such Unit in letters  
not less than one inch in height as follows:

"Ownership Subject to a Security Agreement Filed  
with the Interstate Commerce Commission"

The execution of this Certificate will in no way relieve or decrease the responsibility of the Builder named below or NAC for any warranties either party has made with respect to the Equipment.

---

Authorized Representative of  
Trustee, Lessee and NAC

BUILDER:

Greenville Steel Car Company

[CS&amp;M Ref.: 2043-936]

ASSIGNMENT OF LEASE AND AGREEMENT dated as of July 15, 1979 (this "Assignment"), between THE CONNECTICUT BANK AND TRUST COMPANY, a Connecticut banking association, not individually but solely as Trustee (the "Lessor") under a Trust Agreement dated as of the date hereof (the "Trust Agreement"), with Nineteenth HFC Leasing Corporation (the "Owner"), and LA SALLE NATIONAL BANK, a national banking association, as Agent (the "Vendor") under a Participation Agreement dated as of the date hereof (the "Participation Agreement").

WHEREAS the Lessor is entering into a Conditional Sale Agreement dated as of the date hereof (the "CSA") with NORTH AMERICAN CAR CORPORATION ("NAC") and GREENVILLE STEEL CAR COMPANY (the "Builder"), providing for the sale to NAC by the Builder, and the conditional sale to the Lessor by NAC, of such units of railroad equipment described in Annex B thereto as are delivered to and accepted by the Lessor thereunder (the "Units");

WHEREAS the Lessor and Consolidated Rail Corporation (the "Lessee") have entered into a Lease of Railroad Equipment dated as of the date hereof (the "Lease") which provides for the leasing by the Lessor to the Lessee of the Units; and

WHEREAS, in order to provide security for the obligations of the Lessor under the CSA and as an inducement to the Vendor and the Investors (as defined in the Participation Agreement) for whom the Vendor is acting to invest in the CSA Indebtedness (as defined in the CSA), the Lessor has agreed to assign, for security purposes, certain of its rights in, to and under the Lease to the Vendor.

NOW, THEREFORE, in consideration of the premises and of the payments to be made and the covenants hereinafter mentioned, the parties hereto agree as follows:

1. The Lessor hereby assigns, transfers and sets over unto the Vendor, as collateral security for the payment and performance of the obligations of the Lessor under the CSA, all the Lessor's rights, titles and interests, powers, privileges, and other benefits under the Lease, including,

without limitation, the immediate right to receive and collect all rentals, profits and other sums payable to or receivable by the Lessor from the Lessee under or pursuant to the provisions of the Lease whether as rent, casualty payment, indemnity, liquidated damages, or otherwise (such moneys being hereinafter called the "Payments"), and the right to make all waivers and agreements, to give all notices, consents and releases, to take all action upon the happening of an Event of Default specified in the Lease, and to do any and all other things whatsoever which the Lessor is or may become entitled to do under the Lease. Notwithstanding the foregoing, Payments shall not be deemed to include (i) amounts of indemnity payable to or receivable by the Owner pursuant to Section 16 of the Lease, and (ii) payments made by the Lessee to the Lessor in its individual capacity pursuant to Sections 6 and 9 of the Lease; it being understood that the amounts and payments described in the foregoing clauses (i) and (ii) are not intended to be assigned to the Vendor hereunder. In furtherance of the foregoing assignment, the Lessor hereby irrevocably authorizes and empowers the Vendor in its own name, or in the name of its nominee, or in the name of the Lessor, or as attorney for the Lessor, to ask, demand, sue for, collect and receive any and all Payments to which the Lessor is or may become entitled under the Lease, and to enforce compliance by the Lessee with all the terms and provisions thereof.

The Vendor agrees to accept any Payments made by the Lessee for the account of the Lessor pursuant to the Lease. To the extent received, the Vendor will apply such Payments first, to satisfy such obligations of the Lessor under the CSA as are then due and payable, and second, so long as no event of default (or event which with the lapse of time and/or demand provided for in the CSA could constitute an event of default thereunder) shall have occurred and be continuing, any balance shall be paid to the Lessor or to such other party as the Lessor may direct in writing, on the first business day following receipt by the Vendor of such balance, at the Lessor's address specified in § 18 of the Lease or at such other address as may be specified to the Vendor in writing. If the Vendor shall not receive any rental payment under the first paragraph of § 3 of the Lease when due, the Vendor shall notify the Lessor at the address specified in § 18 of the Lease; provided, however, that the failure of the Vendor to so notify the Lessor shall not affect the obligations of the Lessor hereunder or under the CSA; except that the Vendor may not make a Declaration of Default (as defined in the CSA) with respect to, or terminate the Lease pursuant to clause (i) of the first paragraph of

Article 15 of the CSA by reason of, an event of default under subparagraph (a) or (f) of Article 15 of the CSA arising solely by reason of the failure of the Lessee to make any such rental payment, which failure, pursuant to subparagraph (f) of Section 15 of the CSA, would not constitute an event of default thereunder if the Lessor complies with the provisions thereof, unless such event of default is not remedied within 10 business days after notification is given to the Lessor as aforesaid.

2. The assignment made by the Lessor hereunder is executed only as security and, therefore, the execution and delivery of this Assignment by the Lessor shall not subject the Vendor to, or transfer, or pass, or in any way affect or modify, the liability of the Lessor under the Lease, it being agreed that, notwithstanding this Assignment or any subsequent assignment, all obligations of the Lessor to the Lessee shall be and remain enforceable by the Lessee, its successors and assigns, against, and only against, the Lessor or persons other than the Vendor. The Lessor shall appear in and defend every action in connection with its obligations or duties under the Lease at its sole cost.

3. The Lessor represents and warrants to the Vendor that the Lessor has not entered into any assignment of its interests in the Lease other than this Assignment, has not entered into any amendment or modification of the Lease and has not created or incurred or suffered to exist with respect to the Lease or with respect to any of its interests therein any claim, lien or charge arising by, through or under the Lessor.

The Lessor agrees that it will from time to time and at all times, at the request of the Vendor or its successors or assigns, make, execute and deliver all such further instruments of assignment, transfer and assurance and do such further acts and things as may be necessary and appropriate in the premises to give effect to the provisions herein set forth and more perfectly to confirm the rights, titles and interests hereby assigned and transferred to the Vendor or intended so to be.

4. The Lessor will faithfully abide by, perform and discharge each and every obligation and agreement which the Lease provides is to be performed by the Lessor. Without the written consent of the Vendor, the Lessor will not anticipate the rents under the Lease or waive, excuse, condone, forgive or in any manner release or discharge the Lessee of or from the obligations, covenants, conditions and agreements to be performed by the Lessee thereunder,

including, without limitation, the obligation to pay the rents in the manner and at the time and place specified therein or enter into any agreement amending, modifying or terminating the Lease and the Lessor agrees that any amendment, modification or termination thereof without such consent shall be void.

5. The Lessor does hereby constitute the Vendor its true and lawful attorney, irrevocably, with full power (in the name of the Lessor or otherwise) to ask, require, demand, receive, compound and give acquittance for any and all Payments due and to become due under or arising out of the Lease to which the Lessor is or may become entitled, to enforce compliance by the Lessee with all the terms and provisions of the Lease, to endorse any checks or other instruments or orders in connection therewith and to file any claims or take any action or institute any proceedings which to the Vendor may seem to be necessary or advisable in the premises.

6. Upon the full discharge and satisfaction of all the Lessor's obligations under the CSA and the Participation Agreement (without giving effect to any limitation of liability therein), the Lessor's assignment hereunder of its rights in, to and under the Lease shall terminate, and all estate, right, title and interest of the Vendor in and to the Lease shall automatically revert to the Lessor. However, the Vendor, if so requested by the Lessor at that time, will (a) execute an instrument releasing its entire estate, right, title and interest in the Lease and transferring such estate, right, title and interest to the Lessor and (b) execute, acknowledge and deliver any and all further instruments required by law or reasonably requested by the Lessor in order to confirm or further assure that all such estate, right, title and interest in the Lease shall have so reverted or shall have been so transferred to the Lessor.

7. The Lessor will pay and discharge any and all taxes, claims, liens, charges or security interests (other than those created by the CSA) on the Lease or the rentals or other payments due or to become due thereunder claimed by any party from, through or under the Lessor or its successors and assigns (other than the Vendor), not arising out of the transactions contemplated by the CSA or the Lease (but including tax liens arising out of the receipt of the rentals and other payments under the Lease and any other proceeds from the Units) which, if unpaid, might become a claim, lien, charge or security interest on or with respect to the Lease

or such rentals or other payments, unless the Lessor shall be contesting the same in good faith by appropriate proceedings in any reasonable manner and the nonpayment thereof does not, in the opinion of the Vendor, adversely affect such interests of the Vendor.

8. If an event of default under the CSA shall occur and be continuing, the Vendor may declare all sums secured hereby immediately due and payable and may apply all such sums against the amounts due and payable under the CSA.

9. The Lessor will, from time to time, do and perform any other act and will execute, acknowledge, deliver and file, register, deposit and record (and will refile, reregister, rerecord or redeposit) any and all further instruments required by law and reasonably requested by the Vendor in order to confirm or further assure the interests of the Vendor hereunder.

10. The Vendor may assign all or any of the rights assigned to it hereby or arising under the Lease, including, without limitation, the right to receive any Payments due or to become due. In the event of any such assignment, any such subsequent or successive assignee or assignees shall, to the extent of such assignment, enjoy all the rights and privileges and be subject to all the obligations of the Vendor hereunder; provided, however, the Lessor and the Lessee shall not be bound to honor such assignment until they have received written notice thereof. Payment to the assignee of any Payments shall constitute full compliance with the terms of this Assignment and the Lease. The Lessor and the Lessee may rely on instruments and documents of assignment which they believe in good faith to be true and authentic.

11. This Assignment shall be governed by the laws of the State of Connecticut, but the parties shall be entitled to all rights conferred by 49 U.S.C. § 11303 and such additional rights arising out of the filing or deposit hereof, if any, as shall be conferred by the laws of the several jurisdictions in which this Assignment shall be filed or deposited.

12. The Lessor shall cause copies of all notices and other documents received by it in connection with the Lease and all Payments hereunder to be promptly delivered or made to the Vendor at its address set forth in Article 20 of the CSA, or at such other address as the Vendor shall designate.

13. The Vendor hereby agrees with the Lessor that the Vendor will not, so long as no event of default under the CSA has occurred and is continuing, exercise or enforce, or seek to exercise or enforce, or avail itself of, any of the rights, powers, privileges, authorizations or benefits which are assigned and transferred by the Lessor to the Vendor by this Assignment and which are for the sole benefit of the Lessor, without the prior written consent of the Lessor.

14. Notwithstanding any other provision of this Assignment (including, but not limited to, any provision of the first paragraph of Paragraph 1 and Paragraph 4 hereof), (a) the terms of this Assignment shall not impose any obligations on the Lessor in addition to the obligations of the Lessor under the Lease or under the CSA or in any way limit the effect of the last paragraph of Article 4 of the CSA or Article 21 of the CSA, (b) so long as there is no event of default under the CSA, and to the extent that the Vendor does not seek to receive and collect any Payments under the Lease in excess of the amounts required to discharge the obligations of the Lessor under the CSA, the terms of this Assignment shall not limit or in any way affect the Lessor's right to receive and collect any Payments under the Lease in excess of the obligations of the Lessor under the CSA, or empower the Vendor in any way to waive or release the Lessee's obligation to pay such excess amounts, and the Lessor shall continue to be empowered to ask, demand, sue for, collect and receive any and all of such excess amounts, but shall not, and shall not have any power to, take any action under subparagraph (b) of Section 10 of the Lease without the prior written consent of the Vendor and (c) each and all of the warranties, representations, undertakings and agreements herein made on the part of the Lessor are each and every one of them made and intended not as personal representations, warranties, undertakings and agreements by The Connecticut Bank and Trust Company, or for the purpose or with the intention of binding said bank personally but are made and intended for the purpose of binding only the Trust Estate as such term is used in the Trust Agreement, and this Assignment is executed and delivered by said bank solely in the exercise of the powers expressly conferred upon said bank as trustee under the Trust Agreement, and no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against said bank, except for wilful misconduct or gross negligence on the part of said bank, or against the Owner hereunder (except pursuant to Section 1.03 and the last paragraph of Section 5.01 of the Trust Agree-

ment) or on account of any representation, warranty, undertaking or agreement of said bank or the Owner, either expressed or implied, all such personal liability (except as aforesaid), if any, being expressly waived and released by the Vendor and by all persons claiming by, through or under the Vendor; provided, however, that the Vendor or any person claiming by, through or under it, making claim hereunder, may look to said Trust Estate for satisfaction of the same.

15. This Assignment may be executed in any number of counterparts, but the counterpart delivered to the Vendor shall be deemed to be the original counterpart. Although for convenience this Assignment is dated as of the date first above written, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed in their respective corporate names by officers thereunto duly authorized, and their respective corporate seals to be affixed and duly attested, all as of the date first above written.

## LESSEE'S CONSENT AND AGREEMENT

The undersigned, CONSOLIDATED RAIL CORPORATION (the "Lessee"), the lessee named in the Lease (the "Lease") referred to in the foregoing Assignment of Lease and Agreement (the "Lease Assignment"), hereby (a) acknowledges receipt of a copy of the Lease Assignment and (b) consents to all the terms and conditions of the Lease Assignment and agrees that:

(1) it will pay all rentals, casualty payments, liquidated damages, indemnities and other moneys provided for in the Lease, other than amounts not assigned to the Vendor (as hereinafter defined) pursuant to the Lease Assignment, due and to become due under the Lease or otherwise in respect of the Units leased thereunder, directly to La Salle National Bank, as Agent (the "Vendor"), the assignee named in the Lease Assignment, by 10:00 a.m. Chicago time, on the date such payment is due, by bank wire transfer of immediately available funds to the Vendor at 135 South La Salle Street, Chicago, Illinois 60690, attention of Corporate Trust Department (or at such other address as may be furnished in writing to the Lessee by the Vendor);

(2) it shall not be entitled to any abatement of rent or additional rent, reduction thereof or setoff against or recoupment of rent or additional rent, including, but not limited to, abatements, reductions, setoffs or recoupments due or alleged to be due by reason of any past, present or future claims or counter-claims of the Lessee against the Lessor under the Lease or under the CSA referred to in the Lease Assignment, or against the Builder (as defined in the Lease Assignment) or the Vendor or otherwise;

(3) except as and to the extent otherwise specifically provided in the Lease Assignment the Vendor shall be entitled to the benefits of, and to receive and enforce performance of, all the covenants to be performed by the Lessee under the Lease as though the Vendor were named therein as the Lessor;

(4) the Vendor shall not, by virtue of the Lease Assignment or this Consent and Agreement, be or become subject to any liability or obligation under the Lease or otherwise; and

(5) the Lease shall not, without the prior written consent of the Vendor, be terminated, amended or modified, nor shall any waiver or release be given or accepted with respect thereto nor shall any action be taken or omitted by the Lessee the taking or omission of which might result in an alteration or impairment of the Lease or the Lease Assignment or this Consent and Agreement or of any of the rights created by any thereof.

This Consent and Agreement, when accepted by the Vendor by signing the acceptance at the foot hereof, shall be deemed to be a contract for the benefit of the Vendor and its successors and assigns under the laws of the Commonwealth of Pennsylvania and, for all purposes, shall be construed in accordance with the laws of said State.
